

CURRICULUM VITAE

September 28, 2014

Carol J. Rowland Hogue, Ph.D., M.P.H.
Jules and Uldeen Terry Professor of Maternal and Child Health
Professor of Epidemiology
The Rollins School of Public Health
Emory University
Atlanta, Georgia 30322

Telephone: (404) 727-8095

FAX: (404) 727-8737

INSTITUTIONS ATTENDED, DEGREES, AND DATES

William Jewell College	A.B., Summa Cum Laude Major: Sociology Minor: Psychology	1966
University of North Carolina at Chapel Hill	M.P.H. Epidemiology	1971
University of North Carolina at Chapel Hill	Ph.D. Major: Epidemiology Minor: Biostatistics	1973

MEMBERSHIPS IN PROFESSIONAL ORGANIZATIONS

- American College of Epidemiology (elected fellow, 1983). Membership Committee, 1996-2000. Board of Directors, 1999-2004; president-elect, 2001; president, 2002; past President 2003; past past President 2004.
- American Epidemiological Society (1985)
- American Public Health Association (1974). First Program Chair, Population Section, 1978.
- Association of Teachers of Maternal and Child Health (1992).
- Delta Omega, Theta Chapter (1975)
- International Epidemiological Association (1977)
- MCH Council, Association of Schools of Public Health (appointed to represent the Rollins School of Public Health, 1998). Elected Chair, 1999-2001.
- Planned Parenthood Federation of America (1984)
- Population Association of America (1979)
- Society for Epidemiologic Research (1979). Executive Committee, 1978-81. President (elect, president, past, and past past), 1987-1990; Senior Faculty, 1998.

CURRENT POSITION

Jules and Uldeen Terry Professor of Maternal Child Health, Emory University, Rollins School of Public Health, August 1992 to present

- Director, Women's and Children's Center, Emory University, Rollins School of Public Health, August 1992 to present
- Professor, Department of Epidemiology, Emory University, Rollins School of Public Health, August 1992 to present
- Senior Fellow, Center for the Interdisciplinary Study of Religion, Emory University, 2001-2006
- Faculty Councilor, Board of Trustees Campus Life Committee, Emory University. 2004-2007
- Member, Faculty Council, Office of the President, Emory University, 2004-2005; Elected Member, 2007-2010.
- Chair, Honorary Degrees Nominating Committee, Emory University, 2007-2009.
- Member, Provost's Advisory Committee, 2009-2013
- Ongoing joint faculty appointments in the Department of Pediatrics, School of Medicine; Department of Sociology, Emory College; Department of Behavioral Sciences and Health Education, Rollins School of Public Health

POSITIONS HELD

Director, Division of Reproductive Health, Centers for Disease Control, Atlanta, Georgia, 1988-1992

- Adjunct Professor, Rollins School of Public Health, Emory University, Atlanta, Georgia, 1985-1992

Chief, Pregnancy Epidemiology Branch, Centers for Disease Control, Atlanta, Georgia, 1983-1988

Visiting Scientist, Pregnancy Epidemiology Branch, Centers for Disease Control, Atlanta, Georgia, 1982-1983

Assistant/Associate Professor, and Director, Program of Epidemiology, Division of Biometry, University of Arkansas for Medical Sciences, Little Rock, Arkansas, 1977-1982. Activities during this time include the following:

- Scholar in Residence, Family Planning Evaluation Division, Atlanta, Georgia, 1981
- Epidemiological Consultant, Division of Biometry, Jefferson, Arkansas, 1978-1980
- Faculty, Interdisciplinary Toxicology Program, Little Rock, Arkansas, 1979-1982
- Adjunct Assistant Professor, Behavioral Sciences, Little Rock, Arkansas, 1979-1982
- Research Council, University of Arkansas for Medical Sciences, 1977-1980
- Council on Academic Affairs, University of Arkansas for Medical Sciences, 1981-

1982; President Elect, 1981

Assistant Professor, Department of Biostatistics, North Carolina at Chapel Hill, 1974-1977. Activities during this tenure included the following:

- Research Associate, Health Services Research Center, North Carolina, 1976-1977
- Research Fellow, Carolina Population Center, North Carolina, 1976-1977
- Associate, Carolina Population Center, North Carolina, 1973-1977
- Coordinator for the School of Public Health and the Area Health Education Centers (AHEC), North Carolina, 1975-1976
- Research Associate, Department of Epidemiology, North Carolina, 1973-1974; Teaching Assistant and Student Research Assistant, North Carolina at Chapel Hill, 1969-1973

FUNDED RESEARCH (since 1992)

Completed:

Principal Investigator, "Survey Measures of Stress and Strain for African American Women," Association of Schools of Public Health/ Centers for Disease Control/ Agency for Toxic Substances & Disease Registry Cooperative Agreement, 1993-1996

Principal Investigator, "Preventing Repeat Pregnancies to Teens: A Collaboration between the Georgia Department of Human Resources and the Women's and Children's Center of Emory University School of Public Health, 1994-1996

Principal Investigator, "Analyze and Disseminate Results of the Commonwealth Fund Minority Health Survey," The Commonwealth Fund, 1995-97

Principal Investigator, "Evaluating Medicaid Managed Care Coordination Options," Association of Schools of Public Health/ Centers for Disease Control/ Agency for Toxic Substances & Disease Registry Cooperative Agreement, 1996-1999

Principal Investigator, "Quality Assurance in Vaccine Storage and Handling," Association of Schools of Public Health/ Centers for Disease Control/ Agency for Toxic Substances & Disease Registry Cooperative Agreement, 1996-2000

Principal Investigator, "Dissertation Support for Applied MCH Epidemiology," Maternal and Child Health Branch, Health Resources and Services Administration, 2000-2009.

Principal Investigator, "Circumstances About Pregnancy," Center for Interdisciplinary Study of Religion, Emory University, 2001-2003.

Principal Investigator, "Certificate Program for MCH Epidemiologists," Association of Schools of Public Health/Centers for Disease Control/Agency for Toxic Substances & Disease Registry Cooperative Agreement, 2001-2005.

Principal Investigator, "Distance Education for Field-Based BD/DD Epidemiologists," Association of Schools of Public Health/Centers for Disease Control/Agency for Toxic Substances & Disease Registry Cooperative Agreement, 2003-2005.

Principal Investigator, "PRISE: Worksite Fitness for African American Women," Centers for Disease Control, 2004-2007.

Principal Investigator, "POWER Lunches to Increase Nutrition Efficacy among African American Women Employees Enrolled in the Grady PRISE Physical Fitness Project," United States Department of Agriculture, 2006-2008.

Co-Principal Investigator, "Emory Study Center, National Children's Study," National Institutes of Health. Site PI for Wave 1. PI for Wave 2, 2007-2011; co-I, 2011-13.

Co-Investigator, "Improving maternal, neonatal and child health outcomes through better designed nutrition policies and programs," Bill and Melinda Gates Foundation, 2009-2011.

Co-Investigator, "Feasibility of introducing a PRAMS-like Stillbirth Surveillance Survey," U.S. Centers for Disease Control and Prevention, Division of Reproductive Health, 2012-2013.

Current:

Principal Investigator, Training in Reproductive, Perinatal, Pediatric Epidemiology. T32 Predoctoral Training Grant, National Institute of Child Health and Human Development, 1 T32 HD052460, 2006-2016. Co-I beginning 2007.

Principal Investigator, Dissertation Support for Applied MCH Epidemiology. T03 MC07651, 2000-2015.

Co-Principal Investigator, "Research on the Scope and Causes of Stillbirth in the U.S.," National Institutes of Health, 2003-2016. Principal Investigator, 2008-2016.

Co-Investigator, "Prevalence of Adolescent and Adult Congenital Heart Disease," U.S. Centers for Disease Control and Prevention, Center for Birth Defects and Developmental Disabilities, 1 U50DD001027, 2012-2015.

Co-Investigator, "Biobehavioral Determinants of the Microbiome and Preterm Birth in Black Women," National Institute for Nursing Research, 1R01NR014800, 2013-2018.

Co-Investigator "Epigenetic and Biobehavioral Determinants of Preterm Birth in Black Women," National Institute on Minority Health and Health Determinants, 1 R01 MD008966-01, 2014-2019.

Co-Principal Investigator (with Dr. Veda Johnson), "Effect of School-Based Health Centers on Reducing Students Health Disparities," National Institute on Minority Health and Health Determinants, 1R01MD008966-01, 2014-2019.

NIH COMMITTEES

Eunice Kennedy Shriver National Institute of Child Health and Human Development, IRAP Study Section, February 9-11, 2011; permanent member, July 2012 – June 2016

Special Emphasis Panel, Center for Scientific Review, Health of the Population, 2008

Special Emphasis Panel, Global Network for Women's and Children's Health, National Institute of Child Health and Human Development, June 12, 2006

Ad Hoc Review Committee on Fetal Effects on Adult Chronic Diseases, National Institutes of Health, 2001

Subcommittee on Clinic Investigators, Peer Review Oversight Group, National Institutes of Health, 1997-1998

Environmental Health Study Section, National Institute of Environmental Health Sciences, 1993-1997

Epidemiology and Disease Control Study Section, National Institutes of Health, 1982-1986

EDITORSHIPS

Guest co-Editor, Epidemiologic Reviews, 2009

Editorial Board, Turkish Journal of Public Health, 2003-2011

Editorial Board, Journal of Children's Health, 2002-2005

Editorial Board, Paediatric & Perinatal Epidemiology, 1998-2001

Editorial Board, Health & Environmental Digest, 1993-1999

Editorial Advisory Committee, Family Planning Perspectives, 1994-2001

Editorial Board, Journal of the National Medical Women's Association, 1994-2003

Reviewer for several journals, including JAMA, Science, Journal of Reproductive Medicine, Journal of the American College of Obstetricians and Gynecologists, Obstetrics and Gynecology, New England Journal of Medicine, American Journal of Public Health, American Journal of Preventive Medicine, Preventive Medicine, American Journal of Epidemiology, Annals of Epidemiology

ADVISORY COMMITTEES

- Member, Board of Scientific Counselors, National Center for Health Statistics, 2011-2014
- Invited Participant, *Eunice Kennedy Shriver* National Institute of Child Health and Human Development, Workshop on Pregnancy & Pregnancy Outcomes, February 22-23, 2011.
- Invited Participant, National March of Dimes Meeting, The State of the Science: Do Efforts to Prevent Late Preterm and Early Term Births Affect the Stillbirth Rate? January 11, 2011
- Plenary Speaker, *Eunice Kennedy Shriver* National Institute of Child Health and Human Development, Workshop *Disparities in Perinatal Medicine: Focus in Infant Mortality, Stillbirth and Preterm Birth*, Aug.5-6, 2010.
- Member, Expert Panel, NIH Consensus Development conference Vaginal Birth After Cesarean: New Insights. 2009-2010
- Invited Consultant, Grantmakers in Health, Changing the Conversation: Taking a Social Determinants of Health Approach to Addressing HIV/AIDS Among Women of Color, Washington, DC, October 1, 2009
- Chair, Reproductive Health Working Group, PhenX Project, National Human Genome Research Institute, 2009-2010
- Steering Committee, WHO Multicountry Study on Maternal and Perinatal Health, 2008-2010
- March of Dimes National Organization, Perinatal Advisory Committee, 2002 - 2011
- World Health Organization, Human Reproduction Programme, Subcommittee for the Americas, Resources for Research, 1991-1996; Chair, Regional Advisory Panel (Americas Region), 1997-1999; Ad Hoc Member, Scientific and Technical Advisory Group, 1998-2000.
- Latin American Perinatal Center, Montevideo, Uruguay, 1997-2000
- Junior League of Atlanta, Community Advisory Board, 1998-2013
- UNICEF Child Survival Awards Committee, 1994-2000
- Institute of Medicine Committee on Unintended Pregnancy, 1993-1996
- Department of Maternal and Child Health, University of South Florida, 1993-2005
- Department of Maternal and Child Health University, of Alabama at Birmingham, 1993-1999
- Low Birthweight PORT, University of Alabama at Birmingham, 1993-1998
- MedTech Program, Morehouse School of Medicine, 1991 - 1997
- Toward Improved Outcome of Pregnancy, 1989-1992
- Expert Panel on Content of Prenatal Care, 1985-1990

CONSULTANCIES

- University of Utah, 2013-2014 (experimental mentoring program for junior faculty in

the School of Nursing)

- University of South Carolina, 2010
- Kiwanis International, Priority One Advisory Council, 1990
- National Office, March of Dimes, 1986-1991, 1999
- Environmental Protection Agency, Risk Assessment Workshop on Reproductive Hazards, 1980-1981
- Food and Drug Administration, Obstetrical and Gynecological Device Panel, 1978-1980
- Arkansas Department of Health, Hypertension Project, 1977-1980
- International Fertility Research Program, 1974-1979
- University of Mississippi School of Pharmacy, 1976
- American Public Health Association, 1976
- Research Triangle Institute, Research Triangle Park , North Carolina, 1974-1977

HONORS

- Recipient of the Herman A. Tyroler Distinguished Alumni Award, Department of Epidemiology, University of North Carolina at Chapel Hill, 2011
- Recipient of the 2002 National MCH Epidemiology Effective Practice Award, presented by The Coalition for Excellence in MCH Epidemiology
- Finalist for the public member seat of the Executive Board, American College of Obstetricians and Gynecologists, 1997
- Who's Who Among Students in American Colleges and Universities, 1966; Who's Who American Women, beginning 1978; American Men and Women of Science, beginning 14th Edition; Outstanding Young Women of America, 1979; Who's Who Among International Women, beginning 1978; Dictionary of International Biography, Vol. XVII; Who's Who Among Men and Women of the South, beginning 1982; Who's Who in Government Services, 1990; Who's Who of American Women, beginning 17th Edition; Who's Who, beginning 1996.
- U.S. Department of Health and Human Services, Office of the Assistant Secretary for Health, Special Recognition Award for service on the White House Task Force on Infant Mortality, 1990
- U.S. Department of Health and Human Services, Health Care Financing Administration Administrator's Citation, November 1989, for serving as a member of the HCFA Maternal and Infant Health Task Force
- The Atlanta Federal Executive Board Employee of the Year, Scientific/Professional, 1987-1988
- Citation for Achievement (Distinguished Alumna), William Jewell College, 1986
- Prize for best published paper in 1976 on health applications of operations research, awarded by the Health Applications Section, Operations Research Society of America, for publication No. 5
- Delta Omega (Public Health Honorary Society) 1973
- First Annual Award for Excellence, awarded by the Statistics and Epidemiology Section of the North Carolina Public Health Association, 1973

LANGUAGES

Reading knowledge of French and Spanish

OVERSEAS ASSIGNMENTS

- Department of Obstetrics and Gynecology, University of Skopje, Skopje, Macedonia, July-December 1972, to collect data for a study of long-term complications of induced abortion
- Senior Consultant to the Department of Obstetrics and Gynecology, Kandang-Kerbau Hospital, University of Singapore, Republic of Singapore, December 1974, December 1975, June 1977 to supervise data collection for a study of long-term complication of induced abortion
- Faculty, Reproductive Epidemiology Workshop, Beijing Medical College, Beijing, People's Republic of China, October 1983
- Consultant to the Mexican Institute for Social Security (IMSS), Mexico City, to assist in design and analysis of a case-control study of the protective impact of family planning services on perinatal mortality, 1986-1988
