

LUIS CORREIA, MD, MPH

11/30/2023

Visa Status: Permanent Resident (I-551)

E-mail: luis.correia@emory.edu Phone: (407) 576-7505

1540 Avenue Place, Apt 2308, Atlanta, GA 30329

<https://www.linkedin.com/in/luiscorreia/>

BRIEF BIO

Currently, PhD Student in Epidemiology at Rollins School of Public Health, with a focus on advanced causal inference methods and cardiovascular disease as the subject matter in research. Graduated with Master of Public Health at Johns Hopkins Bloomberg School of Public Health, with a special focus on epidemiology, statistics, and health economics. Cardiologist and Associate Professor of Medicine at Bahiana School of Medicine and Public Health in Brazil.

EDUCATION

Department of Epidemiology, PhD Program Rollins School of Public Health, Emory Research Area: Psychosocial Determinants of CV Disease.	Current
Master of Public Health (MPH) Johns Hopkins Bloomberg School of Public Health Customization: Epidemiology, Statistics and Economic Evaluation	2022
Doctorate Degree in Health Science Federal University of Bahia, Brazil	2003
Research Fellowship in Cardiology Johns Hopkins Hospital, Baltimore, MD National Institute of Aging, NIH	1997
Residence in Internal Medicine Federal University Hospital, Bahia, Brazil	1995
Medical Degree (MD) Federal University of Bahia, Brazil	1992

PROFESSIONAL EXPERIENCE

2006-2022 Medical and Public Health School of Bahia, Brazil

Associate professor of epidemiology and value-based medicine for medical and public health courses.

Director of Center for Evidence-based Medicine

Lead two research labs: Acute Coronary Syndromes and Meta-Epidemiology.

Mentorship of Master's and Doctorate's thesis.

2020-2022 National Council of States Health Secretaries, Brazil

Scientific Advisor for Health Technology Assessment: lead the team of critical appraisal for efficacy and cost-effectiveness, formulation recommendation for each implementation demand, participating in monthly medical meeting of decision committee.

2015-2022 Journal of Evidence-based Healthcare (DOAJ indexed)

Editor-in-Chief

2019-2020 Hospital Aliança, Bahia, Brazil

Head of Cardiology Department

Lead a team of 30 cardiologists, including all clinical, critical medicine, non-invasive and invasive labs.

Lead quality improvement protocols and performance measures of cardiology.

Financial managing of the department, including annual budget, balancing revenues and costs.

2015-2019 Hospital San Rafael Monte Tabor, Bahia, Brazil

Director of Scientific Research

Coordinate the research groups I trying to promote collaborations within institution.

Scientific mentorship of initial level researchers.

Lead the center for external clinical trials participation.

Prepared annual scientific report and defined annual goal.

2005-2015 Hospital Português, Bahia, Brazil

Clinical Cardiology and Echocardiography

2003-2005 Heart Institute of Federal District, Brasília, Brazil

Director of Cardiovascular Imaging

RELEVANT SKILLS

Quantitative Courses at Johns Hopkins Bloomberg School of Public Health

Statistical Methods in Public Health I, II, III and IV

Longitudinal Analysis

Mediation Analysis

Causal Inference in Medicine and Public Health

Epidemiologic Inference in Public Health

Epidemiologic Methods I, II, III

Advanced Methods for Designing Cohort Studies

Advanced Theory and Methods in Epidemiology

Methods For Conduction Meta-analysis and Systematic Reviews

Economic Evaluation I, II and III

Statistics and Epidemiology

Strong analytic perception regarding appropriateness of analytical approaches and study designs aligned with the scientific question. Causal inference and prediction models, generalized linear models, non-parametric and parametric survival analysis, propensity score matching or weighting, interrupted-time series, regression discontinuity, longitudinal analysis (GEE and mixed models).

Primarily Stata user, but also speaks the R language.

Science and Research

Scientific thinking beyond research protocols, question-based study design, data analysis, writing.

Leadership and Management

Team building, conflict resolution, timeline management, financial and staff projection

Evidence Synthesis and Appraisal

Systematic Review and Meta-analysis using Stata.

Health Economics

Interpretation of economic models for public health decision, decision tree using Excel and Markov models using heRo3 software.

Science Communication

Experience as editor in chief of Journal, Blog, Podcast and YouTube Channel on evidence-based medicine, with a mission to educate medical professionals and bridging the gap between medical science and society.

ACADEMIC EXPERIENCE

2006 - 2020: Associate Professor, Medical and Public Health School of Bahia, Brazil

Teaching Positions

Clinical Science Methods, MHS and DrHS Courses
Evidence-based Decision Making, Medicine Course
Online Course of Evidence-based Medicine (extra-mural)

Managing Positions

Dean of Medical Thinking, Medical and Public Health School of Bahia, Brazil
Director, Center for Evidence-based Medicine

HONORS

- Member of Delta Omega Public Health Honorary Society, Alpha Chapter
- Member of Academy of Sciences of Bahia
- Member of Academy of Medicine of Bahia
- Member of National Academy of Rehabilitative Medicine
