

LAUREN CHRISTIANSEN-LINDQUIST

1518 Clifton Road NE | Atlanta, GA 30322 | LCHRIS4@emory.edu

EDUCATION

- 2015 **Emory University**, Atlanta, GA
PhD, Epidemiology
- 2009 **Emory University**, Atlanta, GA
MPH, Epidemiology
- 2007 **University of Minnesota**, Minneapolis, MN
BA – Magna Cum Laude with Distinction
Major: French Studies Minors: Mathematics and Psychology

PROFESSIONAL EXPERIENCE

- 2016 – present **Research Assistant Professor**
Department of Epidemiology, Rollins School of Public Health, Emory University
- 2015 – present **Deputy Director**
Center of Excellence in MCH Education, Science, and Practice
Rollins School of Public Health, Emory University
- 2015 – present **Associated Instructor – Fall Semesters Only**
Emory College of Arts and Sciences, Emory University
- 2015 – 2016 **Instructor**
Department of Epidemiology, Rollins School of Public Health, Emory University

FELLOWSHIPS, HONORS & AWARDS

- 2018 **Delta Omega Honorary Society - Faculty Inductee**, Emory University
- 2016 **Rollins Student Government Association Professor of the Year**, Emory University
- 2014 **Conference Sponsorship Award**, 2014 CityMatCH Leadership & MCH Epidemiology Conference
- 2012-14 **Maternal & Child Health Doctoral Training Program**
HRSA training grant T03MC07651, Emory University
- 2012 **Anoopa Sharma Award for Best Epidemiologic Research**
Department of Epidemiology, Emory University
- 2009-12 **Reproductive, Perinatal, and Pediatric Epidemiology Fellow**
NIH training grant T32HD052460, Emory University
- 2008 **Delta Omega**, Phi Chapter, Emory University
- 2007 **Phi Beta Kappa**, University of Minnesota
- 2003-07 **National Scholarship**, University of Minnesota

FUNDED PROJECTS

- 2015-16 Identifying disparities in patient-level barriers to the update and continued use of an effective contraceptive method post-abortion
Funding: Emory's Center of Excellence in Maternal and Child Health Education, Science, and Practice (Amount: \$13,696.48)
Role: Co-principal investigator
- 2013 A Pilot of the Expansion of PRAMS to Include Stillbirths in Georgia
Funding: Centers for Disease Control and Prevention and the Jules and Uldeen Terry Endowment (Amount: \$4,600)
Role: Principal investigator
- 2012 Formative Research to determine the acceptability of a PRAMS-like survey among women who have recently had a stillbirth
Funding: Centers for Disease Control and Prevention (Amount: \$45,415)
Role: Co-principal investigator

Christiansen-Lindquist L, Hoover KW, Tao G, Kent C. (2009, June). Do adolescent medicine providers outperform other providers when it comes to assessing adolescent patients’ risk for STDs? *International Society for STD Research* – London, England, June 2009.

TEACHING

2017 – present	EPI 740 – Epidemiologic Modeling, Instructor (151 students) Rollins School of Public Health, Emory University
2017 – present	EPI 791 – Teaching Epidemiology, Instructor (11 students) Rollins School of Public Health, Emory University
2016	EPI 530 - Epidemiologic Methods I, Instructor (103 students) Rollins School of Public Health, Emory University
2016 – present	HLTH 207 – Fundamentals of Epidemiology, Associated Instructor (50 students) Emory College, Emory University
2016 – present	EPI 534 – Epidemiologic Methods II, Instructor (191 students) Rollins School of Public Health, Emory University
2015 – 2017	EPI 565 – Data Sources and Methods in MCH Epidemiology, Instructor (21 students) Rollins School of Public Health, Emory University
2015	EPI 530 - Epidemiologic Methods I, Co-Instructor (184 students) Rollins School of Public Health, Emory University
2015	HLTH 285 – Fundamentals of Epidemiology, Associated Instructor (42 students) Emory College, Emory University
2015	AEPI 536D – Epidemiological Modeling, Instructor (23 students) Executive MPH Program, Rollins School of Public Health, Emory University
2015	EPI 534 – Epidemiologic Methods II, Co-Instructor (180 students) Rollins School of Public Health, Emory University
2015	HLTH 385 – Practice-Based Epidemiology, Lab instructor (35 students) Emory College, Emory University
2013	EPI 740 – Epidemiologic Modeling, Teaching assistant and lab instructor (140 students) Rollins School of Public Health, Emory University
2012 – 2013	MSCR 534M – Analytical Methods for Clinical/Translational Research II, Lab instructor (25 students) Master of Science in Clinical Research Program, Emory University
2011	EPI 590R – Analytical Foundations of Epidemiology, Teaching assistant (20 students) Doctoral Program in Epidemiology, Rollins School of Public Health, Emory University
2010	EPI 534 – Epidemiologic Methods II, Teaching associate and lab instructor (25 students) Rollins School of Public Health, Emory University
2009	EPI 530 – Epidemiologic Methods I, Teaching assistant and lab instructor (25 students) Rollins School of Public Health, Emory University
2009	Teaching Assistant Training and Teaching Opportunity (TATTO) Program Emory University

MENTORSHIPPrimary Advisor (Thesis/Dissertation)

- **Rebecca Shedd** – MPH, EMPH Epidemiology, Emory University – 2018 - present
- **Mikala Caton** - MPH, Global Epidemiology, Emory University – 2017 - 2018
- **Beck Miller** - MPH, Epidemiology, Emory University – 2017 - 2018
- **Katie Forsberg** - MPH, Epidemiology, Emory University – 2016 - 2017
- **Nimmy Thomas** - MPH, Epidemiology, Emory University – 2016 - 2017
- **Sarah Kullman** - MPH, EMPH Epidemiology, Emory University – 2016

Committee Member (Thesis/Dissertation)

- **Jessie Preslar** – PhD, Epidemiology, Emory University – 2017 - present
- **Dremiane Granby** – MPH, EMPH Epidemiology – 2016

SERVICE

2017 – present	Department of Epidemiology Curriculum Implementation Committee Member Rollins School of Public Health, Emory University
2017 – present	Membership and Engagement Committee Member Association of Teachers of Maternal and Child Health
2017 – present	Office of Evidence Based Learning – Advisory Committee Member Rollins School of Public Health, Emory University
2017	MPH Admissions Committee Member Department of Epidemiology, Rollins School of Public Health, Emory University
2016 – present	Maternal and Child Health Certificate Program Admissions Committee Member Rollins School of Public Health, Emory University
2016 – 2017	9th Grade Speaker Series – “What is Epidemiology?” Gwinnett School of Mathematics, Science, and Technology
2016 – 2017	Girls in Engineering, Math and Science (GEMS) Speaker – “What is Epidemiology?” Cobb County Public Library System
2015 – 2016	Destination Public Health Recruitment Event – “What is Epidemiology?” Rollins School of Public Health, Emory University
2013 – 2014	Research Advisory Committee – PhD student representative Rollins School of Public Health, Emory University
