

LAUREN CHRISTIANSEN-LINDQUIST

 1518 Clifton Road NE, Atlanta, GA 30322

 404.727.2480

 LCLindquist@emory.edu

EDUCATION

2015	Emory University , Atlanta, GA PhD, Epidemiology
2009	Emory University , Atlanta, GA MPH, Epidemiology
2007	University of Minnesota , Minneapolis, MN BA – Magna Cum Laude with Distinction Major: French Studies Minors: Mathematics and Psychology

PROFESSIONAL EXPERIENCE

2024 – present	Associate Teaching Professor Department of Epidemiology, Rollins School of Public Health, Emory University
2016 – 2024	Assistant Teaching Professor Department of Epidemiology, Rollins School of Public Health, Emory University
2021 – present	Visiting Assistant Professor – Fall Semesters Only Emory College of Arts and Sciences, Emory University
2019 – present	Director of Graduate Studies for MPH and MSPH Programs in Epidemiology Department of Epidemiology, Rollins School of Public Health, Emory University
2015 – 2018	Deputy Director Center of Excellence in MCH Education, Science, and Practice Rollins School of Public Health, Emory University
2015 – 2020	Associated Instructor – Fall Semesters Only Emory College of Arts and Sciences, Emory University
2015 – 2016	Instructor Department of Epidemiology, Rollins School of Public Health, Emory University

FELLOWSHIPS, HONORS & AWARDS

2024	Provost's Distinguished Teaching Award for Excellence in Graduate & Professional Education , Emory University
2024	Diversity, Equity, and Inclusion (DEI) Teaching Fellowship , Emory University
2023	Noel Weiss & Tom Koepsell Excellence in Education Award , Society for Epidemiologic Research
2021, 2016	Rollins Student Government Association Professor of the Year , Emory University
2019	Woodruff Health Educators Academy Teaching Fellowship , Emory University
2019	IDN Thought Leader Fellowship , Emory University
2019	Department Distinguished Teaching Award , Department of Epidemiology, Emory University
2018	Delta Omega Honorary Society – Faculty Inductee , Emory University
2012 – 2014	Maternal & Child Health Doctoral Training Program , HRSA training grant T03MC07651, Emory
2012	Anoopa Sharma Award for Best Epidemiologic Research , Department of Epidemiology, Emory
2009 – 2012	Reproductive, Perinatal, and Pediatric Epidemiology Fellow , T32HD052460, Emory University
2008	Delta Omega , Phi Chapter, Emory University
2007	Phi Beta Kappa , University of Minnesota
2003-07	National Scholarship , University of Minnesota

TEACHING

Department of Epidemiology, Rollins School of Public Health, Emory University

2022 – present	EPI 710 – Probability Theory for Epidemiology, <i>Instructor</i> (15 students)
2020 – present	EPI 550 – Epidemiologic Methods III, <i>Instructor</i> (175 students)
2020 – 2023	EPI 539 – Epidemiologic Concepts & Analysis, <i>Instructor</i> (28 students)
2017 – 2019	EPI 740 – Epidemiologic Modeling, <i>Instructor</i> (151 students)
2017 – 2018	EPI 791 – Teaching Epidemiology, <i>Instructor</i> (11 students)
2016	EPI 530 – Epidemiologic Methods I, <i>Instructor</i> (103 students)
2016 – 2019	EPI 534 – Epidemiologic Methods II, <i>Instructor</i> (191 students)
2015 – 2019	EPI 565 – Data Sources and Methods in MCH Epidemiology, <i>Instructor</i> (21 students)
2015	EPI 530 – Epidemiologic Methods I, <i>Co-Instructor</i> (184 students)
2015	EPI 534 – Epidemiologic Methods II, <i>Co-Instructor</i> (180 students)

Emory College, Emory University

2016 – present	HLTH 207 – Fundamentals of Epidemiology, <i>Instructor</i> (60 students)
2015	HLTH 285 – Fundamentals of Epidemiology, <i>Instructor</i> (42 students)

Executive MPH Program, Rollins School of Public Health, Emory University

2015	AEPI 536D – Epidemiological Modeling, <i>Instructor</i> (23 students)
------	---

MENTORSHIP

Teaching Assistants

Mentored over 75 teaching assistants who have led their own discussion sections, working closely with them in their teaching-related professional development

Primary Thesis Advisor

• Adil Muhammad	MPH, Epidemiology, Emory University, 2023 – 2024
• Franchesca (Fran) Amor	MPH, Epidemiology, Emory University, 2023 – 2024
• Dannelle (Dede) Charles	MPH, Epidemiology, Emory University, 2023 – 2024
• Erica Fuller	MPH, Epidemiology, Emory University, 2022 – 2023
• Sandra Madufo	MPH, Epidemiology, Emory University, 2022 – 2023
• Alicia Edwards	MPH, EMPH Applied Epidemiology, Emory University, 2022
• Carson Bohl	BA – Highest Honors, Human Health, Emory University, 2022 – 2023
• Eva Rodriguez	MPH, Epidemiology, Emory University, 2021 – 2024
• Dallas Rohraff	MPH, Global Epidemiology, Emory University, 2021
• Shreya Taylor	MPH, Epidemiology, Emory University, 2020 – 2021
• Connor Van Meter	MSPH, Epidemiology, Emory University, 2019 – 2020
• Meredith Dixon	MPH, Epidemiology, Emory University, 2019 – 2020
• Radhika Prakash Asrani	MPH, Epidemiology, Emory University, 2019 – 2020
• Ariel Kay	MPH, Epidemiology, Emory University, 2018 – 2019
• Julie Smith	MPH, Epidemiology, Emory University, 2018 – 2019
• Justin Willingham	MPH, Epidemiology, Emory University, 2018 – 2019

Primary Thesis Advisor, continued

- Rebecca Shedd MPH, EMPH Applied Epidemiology, Emory University, 2018 – 2019
- Mikala Caton MPH, Global Epidemiology, Emory University, 2017 – 2018
- Beck Miller MPH, Epidemiology, Emory University, 2017 – 2018
- Katie Forsberg MPH, Epidemiology, Emory University, 2016 – 2017
- Nimmy Thomas MPH, Epidemiology, Emory University, 2016 – 2017
- Sarah Kullman MPH, EMPH Applied Epidemiology, Emory University, 2016

Thesis or Dissertation Committee Member

- Mundayi Nlandu MPH, Epidemiology, Emory University, 2022 – 2023
- Chloe Barrera PhD, Epidemiology, Emory University, 2020 – 2023
- Carrie Henry PhD, Nursing, Emory University, 2019 – 2022
- Jessie Preslar PhD, Epidemiology, Emory University, 2017 – 2019
- Dremiane Granby MPH, EMPH Applied Epidemiology, 2016

Invited Talks

Christiansen-Lindquist L. Improving Surveillance for the Hidden Half of Fetal-Infant Mortality. Presentation to the Congressionally mandated *NICHD Stillbirth Working Group of Council*. Online – January 2024.

Christiansen-Lindquist L. Plenary talk for the Noel Weiss & Tom Koepsell Award for Excellence in Education. *Society for Epidemiologic Research*. Portland, OR – June 2023.

Christiansen-Lindquist L. Artificial Intelligence in the Classroom. *Society for Epidemiologic Research – Course Development Workshop*. Portland, OR – June 2023.

Christiansen-Lindquist L. EPI Capstone – ILE Meets Community Engagement. [*Delta Omega – Innovative Curricula Webinar Series*](#). Online – March 2023.

Christiansen-Lindquist L. Messaging matters: A closer look at how we're talking about COVID-19 vaccination during pregnancy. *International Stillbirth Alliance 2022*. Online – September 2022.

Christiansen-Lindquist L. No more excuses: Stillbirth *is* preventable. *PUSH for Empowered Pregnancy 2022 Stillbirth Symposium*. Online – May 2022.

Christiansen-Lindquist L. Bringing stillbirth out of the shadows: The time is NOW. Pollitt Chair Speakers' Series at the Children's Hospital of Los Angeles, February 2022.

Christiansen-Lindquist L. Stillbirth in the United States. Panelist for congressional briefing: *Raising the Volume – Ending the Silent Epidemic of Stillbirth*, December 2021.

Christiansen-Lindquist L. Incorporating antiracism in the curriculum: Developing antiracism competencies for Emory's masters and doctoral programs in epidemiology. *Boston University, Department of Epidemiology, Tuesday Talk*. Online – September 2022.

Christiansen-Lindquist L. Developing Antiracism Competencies for Emory's Department of Epidemiology. Panelist for "New Curricular Content around Systemic and Structural Racism for All." *Retreat for the Association of Schools and Programs in Public Health's Diversity & Academic Affairs Sections*. Online – June 2021.

Christiansen-Lindquist L. Stillbirth in Georgia: An Overview of the Problem & Opportunities for Improvement. *Healthy Mothers Healthy Babies Annual Meeting & Conference* – Atlanta, GA, October 2018.

Christiansen-Lindquist L. Improving US stillbirth rates through improved surveillance: A qualitative and quantitative approach. *Centers for Disease Control and Prevention, Division of Reproductive Health Seminar*—Atlanta, GA, July 2014.

Oral Conference Presentations

Christiansen-Lindquist L (panelist). Beyond research and the academy – using epidemiology for social change: Epidemiology on The Hill. *Society for Epidemiologic Research*. Portland, OR – June 2023.

Christiansen-Lindquist L. Hidden Impact of Stillbirth. Panelist in the Stillbirths Count Symposium. *Society for Pediatric and Perinatal Epidemiology Annual Meeting* – Online, December 2020.

Christiansen-Lindquist L. Expanding PRAMS to include stillbirth. *2014 CityMatCH Leadership and MCH Epidemiology Conference*—Phoenix, AZ, September 2014.

Christiansen-Lindquist L. Expanding PRAMS to include stillbirth. *The 2012 PRAMS National Meeting* – San Antonio, TX, December 2012.

Christiansen-Lindquist L, Hogue C. Expanding PRAMS to include stillbirth – Roundtable discussion. *The 2012 PRAMS National Meeting* – San Antonio, TX, December 2012.

Christiansen-Lindquist L. Developing a surveillance system for stillbirth: An exploratory study to determine the acceptability of a PRAMS-like survey among women who have recently experienced a stillbirth. *The 2012 International Conference on Stillbirth, SIDS, and Infant Survival* – Baltimore, MD, October 2012.

Poster Presentations - * Denotes Student Mentee

Mandle H*, Bohl C*, Getachew B*, Pozzo N*, **Christiansen-Lindquist L**. Impact of the COVID-19 pandemic on stillbirth rates in the United States: Preliminary findings from 12 states. *Society for Epidemiologic Research* – Chicago, IL, June 2022.

Warner L, Kortsmid K, Shulman H, Shapiro-Mendoza C, Cox S, Folger S, Whiteman M, Smith R, Harrison L, **Christiansen-Lindquist L**, Barfield W. Participation in survey research among women with a recent live birth: A comparison of mothers with living versus deceased infants – Pregnancy Risk Assessment Monitoring System (PRAMS), 2012 – 2016. *Society of Pediatric and Perinatal Epidemiology* – Minneapolis, MN, June 2019.

Forsberg K*, **Christiansen-Lindquist L**, Silver RM. Factors associated with stillbirth autopsy rates in Georgia and Utah, 2010-2014: The importance of delivery location. *The International Stillbirth Alliance Conference* – Cork, Ireland, September 2017.

Badgley A*, **Christiansen-Lindquist L**, Hogue C. Association of posttraumatic stress following stillbirth with being blamed for the stillbirth, as mediated by maternal age and in-hospital support. *The International Stillbirth Alliance Conference* – Cork, Ireland, September 2017.

Christiansen-Lindquist L, Hogue C. A pilot study of the expansion of PRAMS methodology to assess participation rates among women with recent stillbirths in Georgia. *The 2015 PRAMS National Meeting* – Atlanta, GA, October 2015.

Christiansen-Lindquist L, Sahay K*, Gaydos L, Hogue C. Surveillance of the “Missing Half”: Formative research to determine the acceptability of a PRAMS-like survey among women who have recently experienced a stillbirth. *Society of Pediatric and Perinatal Epidemiology* – Boston, MA, June 2013.

Christiansen-Lindquist L, Kramer MR. Characterizing experienced geographic access to perinatal services by patient travel time and demographics for Georgia women hospitalized for the delivery of a liveborn infant. *Society of Pediatric and Perinatal Epidemiology* – Minneapolis, MN, June 2012.

Christiansen-Lindquist L, Hoover KW, Tao G, Kent C, Evaluation Group for Adherence to STD and Hepatitis Screening. Predictors of STD testing among asymptomatic HIV-infected men who have sex with men. *National STD Prevention Conference* – Atlanta, GA, March 2010.

Hernandez B, **Christiansen L**, Hoover KW, Tao G, Kent C. Positivity of Chlamydia and Gonorrhea among asymptomatic HIV-infected MSM. *National STD Prevention Conference* – Atlanta, GA, March 2010.

Christiansen-Lindquist L, Hoover KW, Tao G, Frank R, Kent C. Chlamydia screening of young sexually active, Medicaid-insured women by race and ethnicity, 2002-2005. *International Society for STD Research* – London, England, June 2009.

Christiansen-Lindquist L, Hoover KW, Tao G, Kent C. (2009, June). Do adolescent medicine providers outperform other providers when it comes to assessing adolescent patients' risk for STDs? *International Society for STD Research* – London, England, June 2009.

FUNDED PROJECTS

2021-2022	Enhancing, Implementing & Evaluating a K-8 School Reopening Plan in Atlanta, GA <u>Funding:</u> Emory's Center of Excellence in Maternal and Child Health Education, Science, and Practice (Amount: \$14,671) <u>Role:</u> Principal investigator
2015-2016	Identifying disparities in patient-level barriers to the update and continued use of an effective contraceptive method post-abortion <u>Funding:</u> Emory's Center of Excellence in Maternal and Child Health Education, Science, and Practice (Amount: \$13,696.48) <u>Role:</u> Co-principal investigator
2013	A Pilot of the Expansion of PRAMS to Include Stillbirths in Georgia <u>Funding:</u> Centers for Disease Control and Prevention and the Jules and Uldeen Terry Endowment (Amount: \$4,600) <u>Role:</u> Principal investigator
2012	Formative Research to determine the acceptability of a PRAMS-like survey among women who have recently had a stillbirth <u>Funding:</u> Centers for Disease Control and Prevention (Amount: \$45,415) <u>Role:</u> Co-principal investigator

SERVICE

Emory University

2021 – present	Center for Faculty Development and Excellence Advisory Board Member
2020	COVID-Related Advisory Committee to the Provost on Classroom Logistics

Rollins School of Public Health, Emory University

2024 – present	Expanding Access to Online Instruction – Co-Lead
2023 – present	DrPH in Preparedness and Response Planning Committee Member
2023 – present	Faculty Practice Award Selection Committee Member
2022 – present	Education Committee Deputy Chair
2020 – 2021	Provost's Distinguished Teaching Award Selection Committee Member
2019 – present	Education Committee Member
2017 – present	Office of Evidence Based Learning Advisory Committee Member
2016 – 2017	Maternal and Child Health Certificate Program Admissions Committee Member

Department of Epidemiology, Rollins School of Public Health, Emory University

2019 – 2021	Faculty Search Committee Member
2019 – present	MPH and MSPH Program Committee Chair
2019 – present	MPH & MSPH Admissions Committee Chair
2017 – 2019	Curriculum Implementation Committee Member
2017	MPH & MSPH Admissions Committee Member

Professional Organizations

2019 – 2022	Education & Professional Development Committee Member Society for Epidemiologic Research
2017 – 2020	Membership and Engagement Committee Member Association of Teachers of Maternal and Child Health

Other External Partnerships

2023 – present	Stillbirth Advocacy Working Group – USA University of Utah
2023	Stillbirth Documentary Braintrust Participant ProPublica
2022	Advanced Studies Program Speaker – “Epidemiology: The Science of Public Health” Fernbank Science Center, Atlanta, GA
2021 – present	Scientific Advisor for Stillbirth Policy The SHINE for Autumn Act
2020 – 2023	COVID-19 School Reopening Committee Member & Communications Coordinator The GLOBE Academy, Atlanta, GA
2016 – 2017	9th Grade Speaker Series – “What is Epidemiology?” Gwinnett School of Mathematics, Science, and Technology
2016 – 2017	Girls in Engineering, Math and Science (GEMS) Speaker – “What is Epidemiology?” Cobb County Public Library System

Ad-Hoc Journal Referee

Birth, BMC Pregnancy and Childbirth, Epidemiology, European Journal of Social Work, Maternal and Child Health Journal, Public Health Reports

Professional Memberships

Association of Teachers of Maternal and Child Health, Society for Epidemiologic Research, Society of Pediatric and Perinatal Epidemiology
