

Michael Georgescu

michael.georgescu@emory.edu | www.linkedin.com/in/michaelgeorgescu

EDUCATION

Emory University, Atlanta, GA

Doctor of Philosophy; Epidemiology

Expected May 2031

T32 NIH-funded Emory Initiative for Maximizing Student Development (IMSD) Fellowship

Centennial Scholars Fellowship

Yale School of Public Health, New Haven, CT

Master of Public Health (MPH); Concentration: Social and Behavioral Sciences

May 2023

Horstmann Scholar

Binghamton University, State University of New York, Binghamton, NY

Bachelor of Arts (BA) in Psychology; Minor in Biological Anthropology

May 2021

Cum Laude

Jefferson Community College, State University of New York

Associate of Arts (AA) in Humanities and Social Sciences in Psychology

May 2019

Dean's List Fall 2017 | President's List Spring 2018 | Dean's List Spring 2019 | Honors Graduate|

Academic Achievement in Psychology| Outstanding Student Government Assembly Member

RESEARCH SKILLS

- Programming Languages: RStudio, STATA, SPSS, SAS, NVivo, Redcap
- Datasets Used: UKBiobank, Health and Retirement Study, Healthy Aging in Neighborhoods of Diversity across the Life Span study, National Health and Resilience in Veterans Study, National Health and Nutrition Examination Survey, Women's Health Initiative Study

RESEARCH EXPERIENCE

National Institutes of Health, Baltimore, MD

National Institute on Aging Post-Bac Intramural Research Training Award

June 2023 – August 2025

Principal Investigator: May A. Beydoun, PhD, MPH

- Collaborated with principal investigator on neuroepidemiology and health disparities projects
- Authored manuscripts for publication
- Authored conference presentations
- Analyzed and interpreted population-based health survey data using STATA software

National Institutes of Health, Baltimore, MD

National Institute on Aging Guest Researcher

September 2022 – May 2023

Principal Investigator: May A. Beydoun, PhD, MPH

- Collaborated with principal investigator on neuroepidemiology and health disparities projects
- Authored manuscripts for publication
- Led a research project involving the Health and Retirement Study dataset
- Analyzed and interpreted population-based health survey data using STATA software

U.S. Department of Veterans Affairs National Center for PTSD, New Haven, CT

Research Associate Intern

May 2022 – August 2022

Principal Investigator: Robert H. Pietrzak, PhD, MPH

- Collaborated with the principal investigator on resilience on traumatic stress project
- Conducted literature reviews on psychosocial factors of resilience
- Generated hypotheses for a research project
- Wrote manuscript for publication and presentation to be the first author

MICHAEL FLORIN GEORGESCU

National Institutes of Health, Baltimore, MD
National Institute on Aging Research Associate Intern

June 2022 - August 2022

Principal Investigator: May A. Beydoun, PhD, MPH

- Analyzed and interpreted population-based health survey data using STATA software
- Collaborated with the principal investigator on aging epidemiology projects
- Conducted literature reviews for post-doctorates
- Properly completed journal clubs on decision-making and aging
- Provided discussions in the Health Disparities Seminar Series
- Authored a poster at Summer Poster Day at the National Institutes of Health

Center for Methods in Implementation and Prevention Science, New Haven, CT
Research Assistant

September 2021 – May 2023

Principal Investigator: Ashley Hagaman, PhD, MPH

- Coded data from qualitative journal articles in Microsoft Excel software
- Collaborated with the principal investigator on a systematic review of qualitative methodology
- Received training on implementation science methodology identification

Trauma and Mental Health Laboratory, New Haven, CT
Research Assistant

September 2021 – May 2023

Principal Investigator: Sarah R. Lowe, PhD

- Conducted a literature review for a healthcare workers' project
- Improved survey instrument for a healthcare workers' project
- Edited a grant proposal for future research projects

McNair Scholar Program, Binghamton, NY
Winter Research Intern

January 2021

Principal Investigator: Jinfeng (Jenny) Jiao, PhD

- Generated hypotheses for future research projects
- Collaborated in manuscript writing by constructing the theoretical background, abstract, and discussion sections of the manuscript
- Developed a stimulus using Qualtrics
- Copy edited manuscripts for publication

Laboratory of Consciousness, Cognition, and Psychopathology, Binghamton, NY
Research Assistant

January 2020 – May 2021

Principal Investigator: Steven J. Lynn, PhD, ABPP

- Administered experimental procedures with participants as part of a controlled study for a Ph.D. candidate's dissertation
- Coded data from cognitive tasks in Microsoft Excel software for multiple research projects
- Collaborated with a Ph.D. candidate on creating a presentation of their research at Binghamton Research Days

Consumer Decision-Making Laboratory, Binghamton, NY
Research Assistant

October 2019 - May 2021

Principal Investigator: Jinfeng (Jenny) Jiao, PhD

- Administered experimental procedures with participants as part of a controlled study investigating consumer decision making
- Coded data from thought and experience tasks in Microsoft Excel software for multiple research projects
- Improved survey instruments by providing feedback to the principal investigator
- Conducted literature reviews of several theories in decision-making for future research projects

MICHAEL FLORIN GEORGESCU

McNair Scholar Program, Binghamton, NY

Summer Research Intern

May 2020 – August 2020

Principal Investigator: Jinfeng (Jenny) Jiao, PhD

- Generated hypotheses for future research projects
- Collaborated in manuscript writing by constructing the theoretical background, abstract, and discussion sections of the manuscript
- Collaborated with the principal investigator in assessing the relationships between economic situations, risk-taking, and power by interpreting the results of the study
- Authored a poster for the presentation of the findings in the research project at the Illinois TRIO Virtual Research Symposium

Center for Community Studies, Watertown, NY

Research Assistant Supervisor

September 2018

Principal Investigator: Joel LaLone, MS

- Collected data regarding attitudes concerning the local Lewis County economy, personal financial situations, community development, economic development, and personal opinions regarding community and societal issues
- Trained 10 new research assistants in the operations of the laboratory regarding effective methods of collecting, entering, and analyzing data
- Collaborated with the professional staff of the laboratory by coordinating with other research assistant supervisors in creating effective data collection systems for research assistants

Center for Community Studies, Watertown, NY

Research Assistant

April 2018

Principal Investigator: Joel LaLone, MS

- Collected data regarding attitudes concerning the local Jefferson County economy, largest issues facing the nation, access to higher education, healthcare access and quality, end of life care preferences and decisions, preferences regarding future changes at Thompson Park, and quality of life in Jefferson County
- Involved in question formation, data collection, entry, analysis, and cleansing
- Implemented statistical skills to create a final project titled 'The Severity of Poverty, Alcohol, Heroin, and Prescriptive Drug Abuse in Jefferson County, New York among Age Groups and Sex' using the data collected from the research center for the Mathematical and Probability 1 course at Jefferson Community College

PEER-REVIEWED PUBLICATIONS

*Denotes co-first author

Hagaman, A., Rhodes, E. C., Aloe, C., Hennein, R., Peng, M., Deyling, M., **Georgescu, M.**, Nyhan, K., Schwartz, A., Zhou, K., Katague, M., Spiegelman, D. (in press). BOARDS & ADVISORY COMMITTEES

Journal of Medicine, Surgery, and Public Health

May 2024 – Present

Editorial Board Member

- Evaluate manuscripts for suitability for publication using written comments to clarify decisions to authors and the Chief Editor
- Participate in Editorial Board Meetings and liaison with Chief Editor on journal development and routine function-related tasks
- Review papers submitted to the journal based on area expertise

Association for Psychological Science

Campus Representative

February 2019 – May 2021

- Participated in the Association for Psychological Science Student Caucus group activities
- Received materials from the Association for Psychological Science Student Caucus to distribute to students

MICHAEL FLORIN GEORGESCU

Jefferson Community College, Watertown, NY

President of the Psychology and Human Services Club

September 2018 – May 2019

- Planned, organized, and held special committees for the executive board of the club
- Collaborated closely with other officers and the committee chairman in carrying on the works of the club
- Organized events and fundraising efforts alongside the executive board of the club

Jefferson Community College, Watertown, NY

Committee Member of the SUNY Chancellor's Award for Excellence for Professional Service

October 2018

- Contributed to the decision process of granting the Professional Service Award to one of the professional faculty members of Jefferson Community College

PROFESSIONAL ORGANIZATIONS

Yale School of Public Health Alumni Association

Member

American Public Health Association (APHA)

Member

American Psychological Association (APA)

Member

Association for Psychological Science (APS)

Member

National Society of Leadership and Success (Sigma Alpha Pi)

Inducted Member

Collegiate Science and Technology Entry Program (CSTEP)

Member

TRIO Student Support Services Program

Member

McNair Scholars Program

Member

TEACHING EXPERIENCE

Emory University, Atlanta, GA

Teaching Assistant: Epidemiologic Methods I

Jefferson Community College, Watertown, NY

Peer Tutor: Introduction to Psychology

Jefferson Community College, Watertown, NY

Peer Tutor: Abnormal Psychology

Jefferson Community College, Watertown, NY

Peer Tutor: Behavioral Statistics & Research Methods in Psychology

CERTIFICATIONS

HANDLS 20th Annual Cultural Competency/ DEIA Training

Certificate of Completion – Examining cultural competency while learning ways to talk about hard history: American Indians, enslavement of Africans, White settlers

Issued May 2024

The National Institutes of Health

Becoming a Resilient Scientist

Issued July 2023

Fort Belvoir Community Hospital

Data Analysis Using STATA

Issued August 2022

The National Institutes of Health

Decision-making in the brain: Behavior, Physiology, and Modeling

Issued August 2020

The National Institutes of Health

Clinical Trials Summer Intensive Series

Issued July 2022

MICHAEL FLORIN GEORGESCU

The National Institutes of Health

Informational Management Awareness

Issued May 2022

The National Institutes of Health

Information Security Awareness for New Hires

Issued May 2022

The National Institutes of Health

Introduction to Lab Safety – On-Line Training

Issued May 2022

Yale University

Foundational HIPAA Privacy and Security Training

Issued September 2021

Yale University
