## EDUCATION

---

**University of Aberdeen, Aberdeen, UK** **2006-2011**  
*Doctor of Philosophy, 2011* *Faculty of Law*  
Dissertation: *The synergistic approach: Racial discrimination and the right to health*

**Rollins School of Public Health, Emory University Atlanta, GA** **1996-1998**  
*Masters in Public Health, 1998*  
Concentration: *Behavioral Sciences and Health Education*  
Thesis: *A comparison of infants born to resource mothers program participants and matched non-participants in Atlanta. Georgia*

**Arizona State University** **Tempe, Arizona** **1992-1996**  
*Bachelor of Arts, 1996*  
Major: *Psychology* Minor: *Family Studies*

## **LANGUAGE SKILLS**

Native speaker of English; Fluency in written and spoken Portuguese; Working knowledge of Spanish and French

## PROFESSIONAL EXPERIENCE

---

**Emory University, Rollins School of Public Health**  
*Research Associate Professor* **Atlanta, GA** **2018 – pres**

- *Hubert Department of Global Health*
  - o Core faculty, Injury Prevention Research Center at Emory 2020-pres
  - o Co-Director of Graduate Studies 2017-pres
  - o Interim Director, Institute for Developing Nations 2017-2019
- *Department of Behavioral, Social & Health Education Sciences, jointly appointed*
- *Emory College, adjunct*
- *Emory School of Law, adjunct*

<i>Research Assistant Professor</i>	<b>Atlanta, GA</b>	<b>2011-2017</b>
- <i>Hubert Department of Global Health</i>		
o Director, Center for Humanitarian Emergencies		2013-pres
<i>Senior Associate</i>	<b>Atlanta, GA</b>	<b>2009-2011</b>
<i>Lecturer</i>	<b>Atlanta, GA</b>	<b>2002-2009</b>
- <i>Hubert Department of Global Health</i>		
o Director, Institute of Human Rights		2002-pres
<i>Health Educator</i>	<b>Atlanta, GA</b>	<b>1998-2002</b>

## **AWARDS AND HONORS**

---

2020	Research Award, Department of Global Health
2018	Early Career Public Health Teaching Award-Association of Schools and Programs of Public Health
2017	Mid-Career Award in International Health-American Public Health Association
2016	Porsche Driving Force Award (nominee)
2016	Unsung Heroine, Emory Women of Excellence Award
2015	Crystal Apple Award, Excellence in Professional School Education
2012	We Are Emory, Community Builder
2007	Dr. Martin Luther King Jr. Community Service Award
1998	Member, Delta Omega Public Health Honor Society, Omicron Chapter
1998	Omicron Delta Kappa National Service Honor Society

## **CURRENT GRANTS AND CONTRACTS**

---

Emory Global Health Institute Faculty Seed Grant (Evans)	2021-22
“Adapting the myPlan mobile application for use among Brazilian women experiencing intimate partner violence”	
Goal: The purpose of this study is the adaptation of the myPlan app, a secure safety planning resource, to prevent intimate partner violence and femicide among women in Brazil.	
Role: Principal Investigator	
\$19,974 (1 year)	
Emory University Maternal and Child Health Center of Excellence (Evans)	2021-22
“Enhancing, implementing and Evaluating a K-8 school COVID-19 reopening plan in Atlanta Georgia”	
Goal: Provide technical assistance to a K-8 school as it prepares to have students return to in-person instruction in the context of the COVID-19 pandemic.	
Role: Co-Principal Investigator with Lindquist	
\$14,671 (1 year)	
Anonymous Foundation (Rice, PI)	2021-2022
“Center for reproductive health research in the Southeast (RISE)”	
Goal: Improve reproductive health and equity of people in the U.S. Southeast through transdisciplinary research that informs social, systems and policy change.	
Role: Co-Investigator	
\$700,000	
Woodruff Health Sciences Center, Synergy Award (Evans/Smith, Co-PIs)	2020-22
“COVID-19 and intimate partner violence: The effect of movement related restrictions on partner violence and traumatic injury in Atlanta, Georgia”	

Goal: The proposed first of its kind mixed-methods study examines the effect of COVID-19 related movement restrictions on individuals seeking Emergency Room care at Grady Memorial Hospital in Atlanta, Georgia as a result of traumatic injury including intimate partner violence.

Role: Co-Principal Investigator with Smith  
\$100,000 (2 years)

The NoVo Foundation (Evans)

2020-22

“Sparkling systemic change: A trauma- and mental health-informed, community-based, early intervention model for survivors and at-risk girls and young women in Fulton County, Georgia”

Goal: 3-year collaboration to address the immediate needs of those at risk for or experiencing commercial sexual exploitation in Fulton County, Georgia while transforming systems to prevent it.

Role: Principal Investigator  
\$1,000,000 (3 years)

## **PENDING GRANTS AND CONTRACTS**

---

Emory Global Health Institute (Evans)

2022-2023

“COVID-19 and Intimate Partner Violence: Barriers and facilitators to hospital- and community-based care”

Goal: to identify barriers and facilitators to community-based support for individuals following the receipt of hospital-based care as a result of IPV during COVID-19.

Role: Principal Investigator  
\$10,000 (1 year)

US Centers for Disease Control and Prevention (Evans)

2021-26

“BMJI+: Evaluation of a mental health and maternal newborn health intervention for female tea garden workers in Bangladesh”

Goal: Understand the mental health morbidity of female tea garden workers in Bangladesh and to design and implement a comprehensive multiyear mental health and maternal and newborn health (MNH) intervention to reduce morbidity from poor mental health in female tea garden workers of reproductive age within Bangladesh.

Role: Principal Investigator  
\$4,303,595 (5 years)

March of Dimes (Evans/Narasimhan, Co-PIs)

2021-24

“Obstetric violence and birth injury in metropolitan Atlanta, Georgia: Perspectives of mothers and health care providers”

Goal: To improve clinical care and decrease maternal and infant morbidity and mortality by better understanding the relationship between four distinct and understudied phenomena related to childbirth: obstetric violence, respectful maternity care, maternal birth trauma and infant birth injury.

Role: Principal Investigator  
\$300,000 (3 years)

NIH 1D43 (Yount/Giang, Co-PIs)

2021-26

“Consortium for violence prevention research, implementation and training for excellence (CONVERGE)”

Goal: Lower-income settings experience a high burden of gender-based violence (GBV) and violence against children (VAC); yet, investigator and institutional research capacity is limited, and data gaps limit the ability to monitor violence-related Sustainable Development Goals. To address this gap, Emory University, Hanoi Medical University, and a global multidisciplinary network will implement a training program in research mentorship, research in GBV and VAC, implementation science, and leadership/science dissemination for sustained capacity in GBV and VAC research and practice in Vietnam.

Role: Research mentor (in-kind)

JCP Initiative (Evans/Zeidan, Co-PIs)

2021-22

“Health needs of asylum seeking and detained populations in Georgia”

Goal: Explore what if any difference exist among asylum cases in the Southeast compared to regions with favorable grant rates.

Role: Co-Principal Investigator (with Zeidan)

\$20,000 (1 year)

## COMPLETED GRANTS AND CONTRACTS

---

US Centers for Disease Control and Prevention (Evans)

2015-21

“Emergency training for response and improved nutrition (ETRAIN)”

Goal: 5-year cooperative agreement that seeks to strengthen public health and nutrition global capacity for complex humanitarian emergencies response.

Role: Principal Investigator

\$675,000 (5 year plus one year extension)

US Centers for Disease Control and Prevention (Evans)

2000-pres

“CDC University Contract Trainings”

Goal: Provide up to a dozen contract trainings per year on various public health topics.

Role: Principal Investigator

~80,000/year

Emory Global Health Institute (Evans/Zeidan, Co-PIs)

2020

“Assessing the legal need for medical evaluations of asylum seekers in Metropolitan Atlanta, Georgia”

Goal: Understand the current asylum case demand, explore the challenges faced by legal team representing asylum clients and explore medical-legal partnerships with local immigration attorneys to understand how attorneys and clinicians can collaborate to support asylum seekers in Metropolitan Atlanta, Georgia.

Role: Principal Investigator

\$12,000 (1 year)

Liverpool School of Hygiene and Tropical Medicine (Coleman, PI)

2019-20

“Disease data management system-Zambia evaluation”

Goal: Conduct a mixed methods process evaluation of the Disease Data Management System (DDMS) structure in Zambia.

Role: Co-Investigator, Emory lead)

\$131,990 (1 year)

Anonymous Foundation (Hall, PI)

2017-20

“Center for reproductive health research in the Southeast (RISE)”

Goal: Improve reproductive health and equity of people in the U.S. Southeast through transdisciplinary research that informs social, systems and policy change.

Role: Co-Investigator

\$6,800,000 (3 years)

US Centers for Disease Control and Prevention (Evans) 2017-18

“ETRAIN supplement: Zika Surveillance-Sierra Leone (GIVeS)”

Goal: Technical assistance for the development of country vector control strategies for *Aedes Aegypti* surveillance and control to all 5 Anglophone countries in West Africa (Nigeria, Ghana, Liberia, The Gambia and Sierra Leone).

Role: Principal Investigator

\$150,000 (1 year)

US Centers for Disease Control and Prevention (Evans) 2017-18

“ETRAIN Supplement: Geographic Information for Vector Surveillance (GIVeS) II”

Goal: Implement a training program to help vector surveillance and control programs across the Latin American and Caribbean (LAC) and West African regions.

Role: Principal Investigator

\$400,000 (1 year)

US Centers for Disease Control and Prevention (Evans) 2016-17

“Zika Surveillance-Sierra Leone GIVeS”

Goal: Develop a training program to help vector surveillance and control programs across the Latin American and Caribbean (LAC) and West African regions.

Role: Principal Investigator

\$853,438 (2 years)

Emory University Research Committee (Evans/Kaslow, Co-PIs) 2017

“Intimate Partner Violence Intervention in Brazil”

Goal: Assess the impact of VAW-related laws on women who are at risk of violence as well as healthcare providers (HCPs) who deliver support services in public health posts in Santo André, Brazil.

Role: Principal Investigator

\$40,000 (1 years)

Emory Global Health Institute (Evans) 2016

“Maltratar não é direito”: Understanding the impact of violence against women-related laws on perceptions of intimate partner violence among women and healthcare providers in Santo André, Brazil”

Goal: Assess women’s perceptions and experiences of IPV and their preferences for IPV interventions in the clinical setting as well as provider’s knowledge, attitudes, and practices towards IPV and its prevention

Role: Principal Investigator

\$12,000 (1 year)

Emory Center for Faculty Development and Excellence (Evans) 2015

“Classroom mini-grant”

Goal: Develop case-based learning materials for Health and Human Rights

Role: Principal Investigator

\$300 (1 year)

Emory Center for Faculty Development and Excellence (Evans) 2014  
“Fund for innovation in teaching”

Goal: Support mentored teaching opportunities for master of public health in an undergraduate class on humanitarian emergencies

Role: Principal Investigator

\$3,000 (1 year)

Emory Center for Faculty Development and Excellence (Evans) 2015  
“Scholarly writing and publishing fund (SWAP)”

Goal: Professional editorial support and publications funds for article manuscripts.

Role: Principal Investigator

\$3,000 (1 year)

Emory Global Health Institute (Evans) 2014  
“Human Papillomavirus Vaccination in São Paulo, Brazil: Policy, Perceptions, and Implementation”

Goal: Investigate provider perceptions, legal system barriers and facilitators and the socio-cultural contexts that influence HPV vaccine uptake in a unique population of adolescent girls, their parents or guardians and providers at municipal health posts in São Paulo, Brazil.

Role: Principal Investigator

\$12,000 (1 year)

US Centers for Disease Control and Prevention (del Rio, PI) 2013-18  
“The Emory center for public health training in complex humanitarian emergencies”

Goal: Establish an academic training center focused on humanitarian emergencies including a graduate certificate in humanitarian emergencies, one-year mid-career fellowship program and graduate level practical training.

Role: Co-Investigator

\$500,000 (5 years)

Bill and Melinda Gates Foundation (Evans) 2005  
“Lessons learned from rights-based approaches to health”

Goal: Lead and coordinate an international conference on the right to health.

Role: Principal Investigator

\$209,435 (1 year)

Morton K. and Jane Blaustein Foundation (Evans) 2005  
“Lessons learned from rights-based approaches to health”

Goal: Lead and coordinate an international conference on the right to health.

Role: Principal Investigator

\$10,000 (1 year)

Georgia Department of Human Resources (Miner, PI) 2001-03  
“A prostate cancer training for public health professionals”

Goal: Develop a web-based training on prostate cancer for health professionals

Role: Co- Investigator

\$10,000 (2 years)

## TEACHING

### EMORY UNIVERSITY TEACHING EXPERIENCE

---

#### Lead instructor and course design - Rollins School of Public Health

*Global Health 500: Critical Issues in Global Health (2011-2013)*

*Global Health 508: Health and Human Rights (2000-pres)*

*Global Health 526: Interdisciplinary Perspectives in Human Rights (2003-pres)*

*Global Health 591Q: Epi Info (2007-Y2018)*

*PRS535D: Questionnaire Design and Analysis (2010-2014)*

#### Lead instructor and course design – Emory College

*University Course: Global Security and Leadership in a Complex World (2017)*

Lead instructor and course design – Emory Coursera

*Communicating During Global Emergencies (2018-pres)*

*Health in Complex Humanitarian Emergencies (2016-pres)*

*Ebola: An Evolving Epidemic (2015-pres)*

---

CURRICULUM DEVELOPMENT AND TRAININGS

---

*Curriculum Development*

Sergio: A curriculum for college and graduate level students

Sergio is the Emmy nominated HBO documentary film based on the book by Pulitzer Prizewinning author Samantha Power, which documents the life and tragic death of Brazilian born diplomat and former UN High Commissioner for Human Rights Sergio Vieira de Mello. The curriculum is relevant for undergraduate and graduate level students in humanitarian aid work. Teaching themes of the curriculum include identity, ethics and professional development. Available in English, French and Portuguese.

Public Health Ethics

A four-hour course which focuses on ethics and their role in the practice of public health. This course offers an introduction to ethical theories, case studies, and the ethical codes of various health professions.

Communication Strategies in Public Health

This four-hour course focuses on the process of health education. Major principles discussed include: health communication planning strategies, media literacy, social marketing, and media advocacy.

Creating Public Health Promotion Web Pages

An eight-hour course that focuses on the creation of web pages for publication on the World Wide Web. Hands-on instruction in Hyper Text Mark-up Language (HTML) and instruction for creating hypertext and graphics are included in the course.

A Prostate Cancer Curriculum for Public Health Professionals

A two-day course in prostate cancer education for public health and nursing professionals in the state of Georgia. This course provides instruction in the anatomy of the prostate, risk factors, diagnosis and treatment options, health education strategies and policy issues in the field of prostate cancer.
