

Jeb Jones
Curriculum Vitae

Associate Professor | Department of Epidemiology
Rollins School of Public Health | Emory University
1518 Clifton Road | Atlanta, Georgia 30322
404-421-2928 | jeb.jones@emory.edu

EDUCATION

2016 PhD, Epidemiology, Emory University
2012 MPH, Epidemiology, Emory University
2009 MS, Psychology, University of Florida
2005 BS, Applied Psychology, Georgia Institute of Technology

CURRENT ACADEMIC APPOINTMENTS

2025 – Present Associate Professor | Department of Epidemiology
Emory University
2023 – Present Senior Health Equity Science Advisor | Division of Bacterial Diseases
Centers for Disease Control and Prevention

PREVIOUS ACADEMIC APPOINTMENTS

2019 – 2025 Assistant Professor | Department of Epidemiology
Emory University
2018 – 2018 Associated Assistant Professor | Emory College of Arts and Sciences
Emory University
2017 – 2019 Research Assistant Professor | Department of Epidemiology
Emory University
2017 – 2017 Epidemiologist | Department of Epidemiology
Emory University

NON-ACADEMIC WORK

2010 – 2012 Research Intern, Centers for Disease Control and Prevention, Division of
HIV/AIDS Prevention, Epidemiology Branch, Supervisor: Dawn Smith, MD,
MS, MPH

2010	Research Intern, Centers for Disease Control and Prevention, Division of HIV/AIDS Prevention, Capacity Building Branch, Supervisor: Maria Alvarez, MPA
2009 – 2010	Research Intern, Institute for Public Health Informatics Research, Duval County Health Department, Jacksonville, Florida, Supervisor: Nancy Winterbauer, Ph.D.
2005 – 2007	Clinical Specialist, Marcus Autism Center (formerly Marcus Institute), Supervisors: Nathan Call, Ph.D., Katherine Powers, Ph.D.

AWARDS AND HONORS

2024	Departmental Teaching Award, Department of Epidemiology, Rollins School of Public Health
2021	Inter-CFAR Implementation Science Fellow
2019	Early Career Investigator Author Award, presented by the American Sexually Transmitted Diseases Association
2018	Award for Outstanding Presentation at the Sexually Transmitted Diseases Conference, presented by the American Sexual Health Association
2012 – 2016	George W. Woodruff Graduate Fellowship, Emory University
2011	Delta Omega Honor Society, Inducted 2011
2007 – 2009	Dr. Linton E. Grinter Graduate Fellowship, University of Florida
2004	Psi Chi Honor Society, Inducted 2004

REFEREED JOURNAL ARTICLES

INVITED PRESENTATIONS

1. **Jones, J.** (2024, November). Challenges Posed by Rare Pathogens And Sparse Strata In Health Equity Research, Presented to the National Center for Immunization and Respiratory Diseases, Centers for Disease Control and Prevention.
2. **Jones, J.** (2024, August). HIV Epidemiology, Prevention, and Health Equity, Presented to the Epidemiology and Biostatistics Seminar, University of Georgia.
3. **Jones, J.** (2024, June). HIV Prevention in the Rural US South: Strategies for Increasing Uptake, Presented to the Antiretrovirals for Prevention Inter-CFAR Working Group Webinar Series “HIV in the US South: Responding with Science and Service,” Harvard Center for AIDS Research.
4. **Jones, J.** (2023, July). Advancing Health Equity: Examples from HIV, Presented at the Science Seminar for the Division of Bacterial Diseases, National Center for Immunization and Respiratory Diseases, Centers for Disease Control and Prevention, Atlanta, Georgia.
5. **Jones, J.** (2019, July). Predictors of Loss of Viral Load Suppression among MSM in Atlanta, Georgia. Presented at the National Center for HIV/AIDS, Viral Hepatitis, STD, and TB Prevention, Centers for Disease Control and Prevention, Atlanta, Georgia.
6. **Jones, J.** (2019, February). HIV Prevention and Treatment among MSM Risk factors and the role of mHealth. Presented at the Department of Epidemiology, Emory University, Atlanta, Georgia.
7. **Jones, J.** (2019, February). A Preventable Fraction? Estimating the PAF of gonorrhea and chlamydia on HIV incidence among MSM. Presented at the Emory Center for AIDS Research Network Science Seminar, Atlanta, Georgia.
8. **Jones, J.** (2019, February). HIV Prevention among Men Who Have Sex with Men: Modeling the epidemic and the role of technology. Presented at the Department of Public Health, Agnes Scott College, Decatur, Georgia.
9. **Jones, J.** (2018, October). Estimating the proportion of HIV incidence attributable to gonorrhea and chlamydia among men who have sex with men in the US. Presented at the National Center for HIV/AIDS, Viral Hepatitis, STD, and TB Prevention, Centers for Disease Control and Prevention, Atlanta, Georgia.

POSTER PRESENTATIONS

1. *Villarino, X, Sanchez, T, Acero, C, Baral, S, Lucas, IL, Murray, SM, Rao, A, Smith, M, Valentine Graves, M, **Jones, J.** (2024, August). Factors associated with HIV testing frequency among gay and bisexual men who have sex with men in the United States. Presented at the National LGBTQ Health Conference, Atlanta, GA.
2. **Jones, J.**, Pampati, S*, Siegler, AJ. (2022, July). *Frequent episodes of sexual risk among men who have sex with men who are non-adherent to pre-exposure prophylaxis: a longitudinal cohort study*. Poster session presented virtually at the AIDS Conference 2022.
3. *Pampati, S, Liddon, N, Mpofu, J, Hertz, M, Adkins, SH, **Jones, J.** (2022, March). *Foregone health care among U.S. adolescents and children during the COVID-19 pandemic – COVID Experiences Surveys, Wave 2, March-May, 2021*. Poster session presented at the Society for Adolescent Health and Medicine Annual Meeting, San Diego, CA.
4. *Pampati, S, Emrick, K, **Jones, J.** (2020, September). *Changes in sexual behavior and access to sexual health services due to the COVID-19 pandemic among PrEP-using MSM in the South*. Virtual poster session at the 2020 STD Prevention Conference.

5. Mouhanna, F, Sullivan, PS, Giler, RM, Castel, AD, Pembleton, E, Jaggi, C, **Jones, J**, Kramer, M, McGuiness, P, Siegler, AJ. (2020, July). *Measuring national disparities in pre-exposure prophylaxis (PrEP) use in US counties relative to PrEP need in 2018*. Virtual poster session presented at the 23rd International AIDS Conference, AIDS 2020: Virtual.
6. **Jones, J**. (2019, November). *Assessing patterns of PrEP adherence and persistence among MSM in the southern United States: A pilot study*. Poster session presented at the National CFAR Director's Meeting, Chapel Hill, NC.
7. Liu, A, Coleman, K, Vinson, J, Muench, R, Bojan, K, Serrano, PA, Oyedele, T, Garcia, A, Enrique-Brue, E, Emmanuel, P, **Jones, J**, Muessig, K, Horvitz, C, Mullin, S, Roberts, J, Buchbinder, S, Sullivan, P, Hightow-Weidman, L, Scott, H. (2019, July). *Developing a novel mobile app to support HIV testing and PrEP uptake among young MSM: The LYNX Study*. Poster session presented at IAS 2019, Mexico City, Mexico.
8. **Jones, J**, Taussig, J, Guest, JL, Kelley, CF, Sullivan, PS. (2019, March). *Predictors of Loss of Viral Load Suppression among MSM in Atlanta, Georgia*. Poster session presented at the Conference on Retroviruses and Opportunistic Infections, Seattle, Washington.
9. *Loretan, C, Chamberlain, A, Sanchez, T, Zlotorzynska, M, **Jones, J**. (2018, August). *Trends in and characteristics associated with HPV vaccination uptake among men who have sex with men, 2014-2017*. Poster session presented at the STD Prevention Conference, Washington, D.C.
10. Madubela, N, Lyons, CE, Smith, P, Hightow-Weidman, L, Muessig, K, **Jones, J**, Strömdahl, S, Sullivan, PS, Bekker, LG, Baral, SD. (2018, July). *Characterizing use of mobile gamification application to support adherence to antiretroviral prevention and treatment strategies among young men in South Africa*. Poster session presented at the 22nd International AIDS Conference, Amsterdam, The Netherlands.
11. Siegler, AJ, Mouhanna, F, Giler, RM, McCallister, S, Yeung, H, **Jones, J**, Guest, JL, Kramer, MR, Woodyatt, C, Pembleton, E, Sullivan, PS. (2018, March). *Distribution of active PrEP prescriptions and the PrEP-to-need ratio, US, Q2 2017*. Poster session presented at the Conference on Retroviruses and Opportunistic Infections (CROI), Boston, Massachusetts.
12. **Jones, J**, Guest, JL, Sullivan, PS, Kramer, MR, Jenness, SM, Sales, JM. (2017, October). *What's impulsivity got to do with it? The association between delay discounting and sexual risk-taking*. Invited poster session presented at Emory Center for AIDS Research Science Meeting, Atlanta, Georgia.
13. Hughes, DJ, Fedirko, V, **Jones, J**, Meplan, C, Schomburg, L, Hybsier, S, Riboli, E, Hesketh, JE, Jenab, M. (2015, September). *Association of selenoprotein and selenium pathway gene variation with colorectal cancer risk and modification by selenium status*, Poster session presented at the meeting of the European Cancer Congress, Vienna, Austria.
14. **Jones, J**, Sullivan, PS. (2012, April). *Developing an online tool to assess delay discounting in men who have sex with men*. Poster session presented at Sex::Tech 2012 conference, San Francisco, California.
15. Raiff, BR, **Jones, J**, Dallery, J. (2009, March). *Nicotine as a reinforcer-enhancer in rats: increases in responding maintained by sensory reinforcers*. Poster session presented at the meeting of the Society for Research on Nicotine and Tobacco, Dublin, Ireland.
16. **Jones, J**, Powers, KV, Kelley, ME, Morton, JF, & Gremillion, C. (2007, May). *Functional Analysis and Treatment of Pica: Training Exchange of Inedible Items*. Poster session presented at the meeting of the Association for Behavior Analysis, San Diego, California.

17. Schafer, M, Atkins, KW, Grow, LL, Myers, K, & **Jones, J.** (2006, May). *Further Analysis of Instructional Fading: Effects of Forward and Backward Fading*. Poster session presented at the meeting of the Association for Applied Behavior Analysis, Atlanta, Georgia.
18. **Jones, J,** Roane, HR, Glover, A, & Kisamore, A. (2006, May). *Evaluating the Use of Positive and Negative Reinforcement for the Treatment of Escape-Maintained Problem Behavior*. Poster session presented at the meeting of the Association for Applied Behavior Analysis, Atlanta, Georgia.

FUNDING HISTORY

Active

1R01AI181799 Siegler/Sullivan (mPI) 08/14/2024 – 06/30/2029
NIH/NIAID

Establishing PREMISE: A PrEP Epidemiology, Modeling, and Surveillance System

The study will conduct analyses regarding the scope and equity of PrEP scaleup over time, and will perform analyses to explore the impact of different locality-specific programs and policies on PrEP starts and PrEP equity.

Role: co-Investigator

0.6 cal months

P30MH136919 Baral/Sullivan (mPI) 06/20/2024 – 03/31/2028
NIH/NIMH

Creating a developmental AIDS Research Center focused on improving the measurement of and response to stigma and structural determinants in the HIV response

This project will develop the Johns Hopkins-Emory-developmental AIDS Research Center (JH-E-dARC) to build capacity for the measurement of stigma and development of interventions focused on responding to stigma as a threat to both mental health and suboptimal individual and population-level HIV outcomes in the US and around the world.

Role: co-Investigator

1.2 cal months

1R01MH134267 Jones (PI) 08/01/2023 – 04/30/2028
NIH/NIMH

Evaluating the effectiveness of a mobile HIV prevention app to increase HIV and STI testing and PrEP initiation among rural men who have sex with men

This project will examine the effect of two different implementation strategies – free HIV and STI self-testing and a motivational interview – on the effect of increasing HIV testing, STI testing, and PrEP uptake among gay and bisexual users of a HIV prevention app in the southern United States.

Role: Principal Investigator

2.4 cal months

1UG3AI176853 Sullivan/Siegler (mPI) 05/04/2023 – 04/30/2025

NIH/NIAID

Limited interaction cohort to identify determinants of viral suppression in MSM and transfeminine individuals living with HIV: A multilevel approach

This project will enroll a cohort of MSM and transfeminine people living with HIV to identify determinants of HIV treatment outcomes using a low-touch, online approach.

Role: Co-Investigator

1.2 cal months

23IPA2314009

Jones (PI)

04/17/2023 – 04/16/2025

CDC

Senior Health Equity Science Advisor

In this role, I serve as an advisor on health equity science to the Division of Bacterial Diseases at the Centers for Disease Control and Prevention.

Role: Principal Investigator

3 cal months

5R01MH122341-02

Sullivan/Kelley (mPI)

04/01/2020 – 03/31/2025

NIH/NIMH

Parrying the Pitfalls of PrEP: Preventing Premature PrEP Discontinuation and STI's

To further increase the impact of PrEP, we propose an early intervention to delay or avert PrEP discontinuations, offering of on-demand PrEP, and offering of STI PEP to a new cohort of 300 YBMSM in Atlanta. These interventions will work together to promote PrEP persistence and decrease new STI and HIV infections in these most vulnerable men.

Role: Co-Investigator

1.2 cal months

1R01MH116721-01A1

Dworkin (PI)

02/11/2019 – 11/30/2024

NIH/NIMH

A mobile phone intervention using a relational human talking Avatar to promote multiple stages of the HIV Care Continuum in African American MSM

This is a randomized controlled trial of a mobile phone app designed to improve treatment outcomes among young, black MSM living with HIV. The app will be tested among 298 men living in Atlanta, Ga; Chicago, IL; and Jackson, MS.

Role: Co-Investigator

1.8 cal months

1R01DA0455612-01

Sullivan (PI)

08/15/2017 – 06/30/2024

NIH/NIDA

Theoretically Based Mobile App to Increase PrEP Uptake among MSM

This is a randomized controlled trial to assess the efficacy of a mobile HIV prevention app, HealthMindr, to increase uptake of pre-exposure prophylaxis among MSM in Atlanta, GA; Jackson, MS; and Washington, D.C.

Role: Co-Investigator

1.2 cal months

Completed

1R21MH121120-01A1 Jones (mPI) 9/15/2020 – 8/31/2023

NIH/NIMH

Assessing psychosocial predictors of PrEP adherence and persistence among young black MSM

This project is designed to examine patterns of adherence and persistence to PrEP among newly-initiating PrEP users in Atlanta, GA and psychosocial predictors of suboptimal adherence and persistence.

Role: mPI

1.8 cal months

1R56NR019482-01 Jones (PI) 9/08/2020 – 8/21/2022

NIH/NINR

Adapting a mobile HIV prevention app to increase uptake of HIV and STI testing among rural men who have sex with men

The goal of this project is to use a mixed methods approach to identify preferences for a HIV prevention app for sexual and gender minority individuals living in the rural southern US. In-depths interviews with key stakeholders and focus group discussions with potential end users will be used to obtain qualitative data on preferences and a survey of potential end users will assess sexual health needs, barriers to care, and sexual behavior.

Role: PI

2.4 cal months

1NU38PS004650 Martin (PI) 09/01/2019 – 09/30/2024

CDC/NCHHSTP

Modeling HIV, Viral Hepatitis, STI, and TB to Improve Public Health-CAMP 2.0: The Coalition for Applied Modeling for Prevention.

This is a large consortium working with the CDC National Center for HIV, Viral Hepatitis, STD, and TB Prevention under a cooperative agreement to construct economic and epidemic models for directing national, state, and local prevention activities.

Role: Co-Investigator

0.6 cal months

1U01PS005181-01 Sullivan (PI) 9/1/2017 – 8/31/2021

CDC/NCHHSTP

Engaging African American and Latino MSM for HIV Testing and Prevention Services

This is a randomized controlled trial to test three different strategies for increasing uptake of HIV testing and other prevention services among MSM: a mobile app, a website, and standard of care. A secondary aim is to examine the success rates of different recruiting methods for recruiting participants into the study.

Role: Co-Investigator

1.2 cal months

CFAR-03 Award Jones (PI) 8/1/2018 – 7/31/2020

EMORY Center for AIDS Research

Assessing Longitudinal PrEP Usage Patterns among MSM in the Southern United States

This is a cohort study of PrEP-using MSM in the Southern US designed to understand patterns PrEP use and discontinuation among this population over four months.

Role: Principal Investigator

0.6 cal months

1U38PS004646-01

Rosenberg (PI)

9/30/2017 – 9/29/2019

Delay Discounting and HIV Sexual Risk Behavior in Men who Have Sex with Men

The goal of this fellowship was to better understand the role of delay discounting, a measure of impulsivity, in sexual risk-taking among men who have sex with men.

Role: PI

TEACHING

Graduate-Level Courses Taught

- | | |
|--------------|---|
| 2021-Present | Co-Instructor, EPI 540, Epidemiological Methods II, Emory University
This course covers advanced epidemiological methods and is the second methods course in the sequence taken by all Department of Epidemiology MPH students.
~160 students |
| 2017-2020 | EPI 530, Epidemiological Methods I, Emory University
This course covers introductory epidemiological methods and is taken by all Department of Epidemiology MPH students and students from other departments within Rollins School of Public Health
~160 students |
| 2016-2021 | AEPI 534D, Epidemiological Methods II, Emory University |

This course covers advanced epidemiological methods and is the second methods course in the sequence taken by all Applied Epidemiology students in the Executive MPH Program at the Rollins School of Public Health.

~20 students

- 2016-2019 AEPI 536D, Epidemiological Modeling, Emory University
This course covers epidemiological modeling analyses and is the third methods course in the sequence taken by all Applied Epidemiology students in the Executive MPH Program at the Rollins School of Public Health.
~20 students

Undergraduate-Level Courses Taught

- 2018 HLTH 207, Fundamentals of Epidemiology, Emory University
This course covers introductory epidemiological methods for students enrolled in the Human Health program in Emory College.
~50 students

Short Courses

- 2021-Present Epidemiology 101, National Center for HIV, Viral Hepatitis, STD, and TB Prevention, Centers for Disease Control and Prevention
This course covers introductory epidemiological methods for a target audience of project officers at the Centers for Disease Control and Prevention.
~30 students per session

Guest Lectures

- 2022 AEPI 536D, Epidemiological Modeling
Course Instructor: Jeremy Grey
Lecture: Introduction to Epidemiological Modeling
- 2021 EPI 535, Designing and Implementing Epidemiologic Studies
Course Instructors: Allison Chamberlain and Patrick Sullivan
Lecture: Power and Sample Size
- 2019 EPI 546, HIV Epidemiology
Course Instructors: Jodie Guest and Travis Sanchez
Lecture: Introduction to HIV Epidemic Modeling
- 2017 EPI 740, Epidemiological Modeling
Course Instructor: Lauren Christiansen-Lindquist
Lecture: Receiver Operating Characteristic Curves
- 2017 EPI 740, Epidemiological Modeling
Course Instructor: Lauren Christiansen-Lindquist
Lecture: Poisson Regression

Teaching Assistant
