

Delia L. Lang, PhD, MPH
CURRICULUM VITAE

Emory University, Rollins School of Public Health (RSPH)
Department of Behavioral Sciences and Health Education (BSHE)
1518 Clifton Road
Atlanta, GA 30322
(404) 727-3515 – phone
(404) 727-1369 – fax
dlang2@emory.edu

EDUCATION

Postdoctoral Fellow	Emory University, Rollins School of Public Health Association of Teachers of Preventive Medicine & Centers for Disease Control and Prevention STI/HIV Prevention (2002)
Ph.D.	Loma Linda University, Graduate School Clinical Psychology (2001)
M.P.H.	Loma Linda University, School of Public Health Biostatistics (1999)
M.A.	California State University, San Bernardino Experimental Psychology (1997)
B.A.	California State University, San Bernardino Psychology (1994)
Professional License:	State of Georgia, Licensed Clinical Psychologist PSY #2849 (2005 – present)

ACADEMIC POSITIONS – EMORY UNIVERSITY

Research Professor – Rollins School of Public Health, BSHE	2019-present
Research Associate Professor – Rollins School of Public Health, BSHE	2011-2019
Research Assistant Professor – Rollins School of Public Health, BSHE	2004-2011
Assistant Professor, Adjunct – School of Medicine, Department of Psychiatry	2014-present

ADMINISTRATIVE POSITIONS – ROLLINS SCHOOL OF PUBLIC HEALTH

Assistant Dean for Academic Affairs	2019 – present
Director, Office of Evidence-based Learning, BSHE	2016 – present
Co-Director, Mental Health Certificate Program, RSPH	2013 – present
Chair, Education Committee, RSPH	2018 – 2019
Director, Re-Accreditation, RSPH	2017 – 2019
Director of Graduate Studies, MPH Program, BSHE	2012 – 2019
Director of Research Projects, BSHE	2002 – 2004

PROFESSIONAL SERVICE

Rollins School of Public Health Service

- Rollins Foundation, Evaluation of Mental Health Services 2017
- Search Committee, Co-Chair, RSPH Director of Communications 2017
- Community and Diversity Committee, Member 2016 – 2017
- Townhall: Strengthening the RSPH community & beyond: A candid dialogue and experiences of race, religion, and sexuality; Panelist 2016
- Practicum Award Faculty Committee, Member 2014
- Student Honor and Conduct Council, Member 2012 – 2019
- Faculty Advisory Committee (Office of Career Development), Member 2012 – 2016
- Shepherd Award Committee, Member 2011 – 2013
- Center for AIDS Research, Grant reviewer 2011

Department of Behavioral Sciences and Health Education Service

- Leadership Committee, Member 2016 – 2019
- TT and CRT Faculty Search Committee, Member 2017 – 2018
- CRT Faculty Search Committee, Chair 2015
- Strategic Planning Committee, Co-Chair 2014 – 2015
- Curriculum Committee, Chair 2012 – 2019
- Admissions Committee, Chair 2012 – 2019
- Curriculum Committee, Member 2009 – 2012
- Admissions Committee, Member 2009 – 2012

Other Professional Service

- Association of Schools and Programs of Public Health, Scholarship of Teaching and Learning Workgroup, Academy of Teaching and Learning 2018 – present
- Emory University, Department of Psychiatry, Resident Supervisor 2015 – 2017
- American Psychological Association, Division 38; Program Chair 2012
- Journal of Behavioral Medicine; Editorial Board Member 2012
- American Psychological Association, Division 38; Abstract reviewer 2011
- U.S. Civilian Research & Development Foundation; Grant reviewer 2009
- Institute for Developing Nations, Gender-based Violence and Rule of Law in Liberia – Carter Center; Session Co-chair 2007
- American Academy of Pediatrics, Committee member 2005
- Atlanta Asylum Network – Pro-bono Psychologist 2005

Ad-hoc Peer Reviewer

AIDS & Behavior	Jn. of Adolescent Health	Pedagogy in Health Promotion
AIDS Care	Jn. of Behavioral Medicine	Prevention Science
BMC Pediatrics	Jn. of Child Abuse & Neglect	Public Health Reports
Health Education & Behavior	Jn. of Health Care for the Poor	Sexual Health
Health Psychology	Jn. of Health Psychology	Violence Against Women
International Jn. of STD/AIDS	Jn. of Primary Prevention	Women's Health
Journal of Adolescence	Social Aspects of HIV/AIDS	

PROFESSIONAL DEVELOPMENT ACTIVITIES

Leadership

- Professional and Organizational Development (POD) Network, *Leading in Times of Change* 2019
- American Psychological Association, *Leadership Institute for Women in Psychology* 2017 – 2018
- Higher Education Resources Services; *Next Stages – Next Steps* 2017
- Emory University, Provost Office; *General Civil Mediation Training* (approved by Georgia Office of Dispute Resolution) 2015
- Emory University, Learning and Organizational Development Office; *Manager Development Program* 2014 – 2015

Pedagogy

- Professional and Organizational Development (POD) Network, *Guidelines for Creating and Re-vitalizing a Center for Teaching and Learning* 2019
- Emory University, Center for Faculty Development and Excellence workshops:
 - Whistling Vivaldi – Book discussion group 2018
 - Inclusion and Diversity Workshop 2017
 - Teaching Peer Review 2017
 - White privilege in the classroom 2016
 - Managing difficult classroom conversations 2016
- Emory University, Oxford College; *Institute for Pedagogy in the Liberal Arts* 2016
- Harvard University, Chan School of Public Health; *Teaching by Case Method: Principles & Practice for Public Health Educators* 2015

Mentorship

- National Research Mentoring Network, *Culturally Aware Mentoring Training* 2018
- Mentor Training for the Department of Behavioral Sciences & Health Education 2017

RSPH Faculty Career Development Series

- *Development and alumni relations* 2018
 - *Identifying private sources of funding* 2017
 - *Developing your personal mission statement* 2017
 - *NTT promotion process workshop* 2017
 - *Providing and receiving mentorship* 2017
 - *Demystifying the promotion process* 2016
 - *Help us help you! Supporting students in crisis* 2016
-

HONORS AND AWARDS

Delta Omega Honorary Society in Public Health, Inductee	2016
Loma Linda University, School of Behavioral Health, Alumna of the Year Award	2014
Department of Behavioral Sciences and Health Education, Teacher of the Year Award	2013
California State University, San Bernardino, Thesis Mentor Award	2000

INTERNATIONAL TRAININGS, EVALUATIONS AND RESEARCH

2008 – 2010	Nairobi, Kenya Provided scientific expertise and training in the evaluation of a videogame designed to impact Kenyan youth's self-efficacy and perceived risk for HIV as part of a public-private partnership funded by the PEPFAR program and administered by the Office of the Global AIDS Coordinator, Washington DC.
2006 - 2009	American University of Armenia, Yerevan, Armenia Provided scientific expertise in the implementation of a randomized controlled trial designed to evaluate the efficacy of an HIV/STI prevention program among female sex workers in Yerevan, Armenia. Enhanced capacity building through training and monitoring of study implementation with local agencies providing services to female sex workers.
2006 - 2008	Medical Research Council, Cape Town, South Africa Provided scientific expertise and trained public health professionals at the Medical Research Council in the implementation of a randomized controlled trial designed to evaluate the efficacy of an HIV/STI prevention program among Xhosa speaking African women in the rural Western Cape Province.
2007	American University of Armenia, Yerevan, Armenia As Visiting Assistant Professor, taught and mentored medical school students pursuing MPH degrees.
2006	Nelson Mandela Medical School, CAPRISA (Centre for the AIDS Program of Research in South Africa), Durban, South Africa Conducted focus groups and assisted in cultural adaptation of an HIV/STI prevention program to evaluate the feasibility of conducting a HIV/STI prevention study among Zulu speaking females and their sexual partners in the Eastern Cape Province.
2001 - 2003	Health Affairs Council, St. Maarten, Netherlands Antilles, Caribbean Provided scientific expertise to local public health agency in the implementation of a randomized controlled trial designed to evaluate the feasibility of conducting a larger scale HIV/STI prevention program among adolescent females attending secondary schools in the community.

TEACHING EXPERIENCE

Rollins School of Public Health: School-wide online and/or hybrid course development:

- Spring 2020 **Public Health Professional Development** (hybrid course; over 500 RSPH students)
Fall 2019 **Interprofessional Team Training** (hybrid inter-professional course in collaboration with Woodruff Health Sciences; 1200+ total students)
Fall 2019 **Introduction to Public Health** (online course module; over 600 RSPH students)
Fall 2018 **Interprofessional Team Training** (on-campus interactive, inter-professional course in collaboration with Woodruff Health Sciences; 1100+ total students)
Fall 2018 **Introduction to Public Health** (online course module) (over 500 RSPH students)

Rollins School of Public Health: MPH Program courses in Behavioral Sciences and Health Education Department

- Fall 2019 **Research Methods** (35 students)
Student Evaluation Scores: 4.7/5.0
Fall 2017 **Research Methods** (50 students)
Student Evaluation Scores: 4.6/5.0
Spring 2017 **Case Studies in Public Mental Health** (Co-Instructor with Dr. Druss) – (8 students)
Student Evaluation Scores: 4.0/5.0
Quantitative Analysis (32 students)
Student Evaluation Scores: 4.9/5.0
Fall 2016 **Research Methods** (48 students)
Student Evaluation Scores: 4.5/5.0
Spring 2016 **Case Studies in Public Mental Health** (Co-Instructor with Dr. Druss) – (15 students)
Student Evaluation Scores: 4.0/5.0
Quantitative Analysis (26 students)
Student Evaluation Scores: 4.5/5
Fall 2015 **Research Methods** (2 sections, 58 students total)
Student Evaluation Scores: 4.8/5; 4.8/5 for each of the 2 sections respectively
Spring 2015 **Mental Health Capstone** (9 students)
Student Evaluation Scores: 4.4/5
Fall 2014 **Research Methods** (2 sections; 65 students total)
Student Evaluation Scores: 4.4/5; 4.3/5 for each of the 2 sections respectively
Spring 2014 **Quantitative Analysis** (2 sections; 60 students total)
Student Evaluation Scores: 4.4/5; 4.7/5 for each of the 2 sections respectively
Fall 2013 **Research Methods** (34 students)
Student Evaluation Scores: 4.3/5
Spring 2013 **Quantitative Analysis** (2 sections; 57 students total)
Student Evaluation Scores: 4.9/5; 4.7/5 for each of the 2 sections respectively
Fall 2012 **Grant Writing** (2 sections; 50 students total)
Student Evaluation Scores: 4.5/5; 4.7/5 for each of the 2 sections respectively
Spring 2012 **Grant Writing** (20 students)
Student Evaluation Scores: 4.6/5
Spring 2012 **Quantitative Analysis** (2 sections; 60 students total)

- Fall 2011 Student Evaluation Scores: 4.5/5; 4.6/5 for each of the 2 sections respectively
Survey Methods (2 sections; 33 students total)
- Spring 2011 Student Evaluation Scores: 4.4/5; 4.4/5 for each of the 2 sections respectively
Grant Writing (20 students)
Student Evaluation Scores: 4.4/5
- Spring 2011 **Quantitative Analysis** (2 sections; 62 students total)
Student Evaluation Scores: 4.5/5; 4.5/5 for each of the 2 sections respectively
- Fall 2010 **Theory in Behavioral Science** (25 students)
Student Evaluation Scores: 4.3/5
- Fall 2010 **Research Methods in Behavioral Science** (17 students)
Student Evaluation Scores: 4.4/5
- Spring 2010 **Quantitative Analysis** (2 sections; 65 students)
Student Evaluation Scores: 4.4/5; 4.5/5 for each of the 2 sections respectively
- Fall 2009 **Theory in Behavioral Science** (25 students)
Student Evaluation Scores: 4.5/5
- Fall 2009 **Research Methods in Behavioral Science** (21 students)
Student Evaluation Scores: 4.7/5
- Spring 2009 **Quantitative Analysis** (2 sections; 42 students)
Student Evaluation Scores: 4.5/5; 4.0/5 for each of the 2 sections respectively
- Spring 2009 **Grant Writing** (14 students)
Student Evaluation Scores: 4.8/5
- Fall 2008 **Survey Methods** (16 students)
Student Evaluation Scores: 4.1/5
- Spring 2007 **Applied Behavioral Research Methods** (3 sections; 84 students total)
Student Evaluation Scores: 8.1/9; 8.5/9; 8.8/9 for each of the 3 sections respectively
- Spring 2005 **Applied Behavioral Research Methods** (3 sections; 82 students total)
Student Evaluation Scores: 8.5/9; 8.6/9; 8.8/9 for each of the 3 sections respectively
- Spring 2003 **Applied Behavioral Research Methods** (25 students)
Student Evaluation Scores: (no course evaluation scores available)
- Fall 2002 **Adolescent Health Promotion (co-taught)** (24 students)
Student Evaluation Scores: (no course evaluation scores available)

Other Colleges and Universities

- Fall 2007 **Social and Behavioral Aspects of Public Health**
American University of Armenia, Yerevan, Graduate course (17 students)
Student Evaluation Scores: 4.9/5
- Fall 1999 **Introduction to Psychology** (no course evaluation scores available)
Riverside City College, Undergraduate course - (48 students)
- Fall 1998 **Statistics I** (no course evaluation scores available)
Loma Linda University, Department of Psychology, Graduate lab - (18 students)
- Fall 1997 **History & Systems in Psychology** (no course evaluation scores available)
California State University, San Bernardino, Department of Psychology,
Undergraduate course - (32 students)

ADVISING AND MENTORSHIP EXPERIENCE

MPH Theses Advising (55 total; 30 as thesis Chair):

- 2019-20 ***Caroline Barry**: Behavioral and Socioemotional Outcomes at Third Grade of the Legacy for Children™ Randomized Control Trial to Promote Healthy Development of Children Living in Poverty
- 2017-18 **Angela Cheung**: Associations between Discrimination, Body Image, and Physical Activity among Transgender Women in Atlanta, GA
Susi McGhee: Change really does need to start from home: A Qualitative Exploration of Individual and Relationship Change in Married Couples in Nepal
- 2016-17 ***Shannon Biello**: Examining the effectiveness of caregiver support resources at the cognitive disorders specialty care education center of excellence at the Atlanta Veterans Affairs Medical Center
Adaobi Okocha: Implementation and evaluation of a teen mothers' empowerment program in a local Atlanta High School: A pilot implementation of a curriculum
Danielle Reece: Associations between depressive symptomatology, religiosity, and sexual risk behaviors among African American church attending women ages 35-60
Aspen Riser: Exploring contraceptive decisions of minority women of reproductive age with serious mental illnesses (SMI)
Danielle Smith: Sexual violence perpetration in Georgia: Examining individual risk factors among college-aged men
- 2015-16 **Hayley Eli**: Concurrent and predictive validity of the SDQ and BASC-2 BESS in the Project to Learn About Youth Mental Health
Sharmeen Hussein: An exploration of social exclusion and risky sexual behaviors among transgender women in Karachi, Pakistan
Nikolai Loizos: Exploring the link between autistic traits, social functioning, anxiety, and academic achievement among Emory University students and faculty
- 2014-15 **Natalie Bishop**: The association between marital status, spousal ethnic identity, acculturation, and BMI among Latino new lawful permanent residents in the United States: An examination of the new immigrant survey
Kathryn Maldoon: Mindfulness in schools: A case series on the process of program adoption
Gaelle Sabben: Exploring the potential for a Global Behavioral Sciences and Health Education program at Rollins School of Public Health
Sunni Wenson: Predictors of non-condom use among female sex workers in Zambia
- 2013-14 ***Meredith Craven**: Dissemination of long acting reproductive contraception in Zambia
Tamara Espinoza: Examining concussion awareness, perceptions, and management practices in Georgia High School sports: An application of the Diffusion of Innovations Theory in sports injury prevention
Mable Padilla: Allowing cigarette and marijuana smoking in the home and car: Prevalence and correlates in a young adult sample
Jennifer Whitmill: Comparison of fertility rates by ethnicity in Niger
- 2012-13 ***Christina Lee**: Predicting condom use among Latina women using the Social-Ecological Model
Emily Osteen: The association between maternal vitamin use and preterm birth in 24 states, Pregnancy Risk Assessment Monitoring System (PRAMS), 2009-2010

- 2011-12 **Sharanya Thummalapally:** Physical activity patterns of school-going adolescents in rural India: An examination of gender differences
- 2011-12 **Shelby Cash:** The power of influence: A study of the interrelationship between the environment and individual level risky behavior in detained African American female adolescents
- 2010-11 **Anitha Mathew:** What are common characteristics of emergency department super-users at Grady Memorial Hospital?
- 2010-11 **Brittney Baack:** Social support as a mediator of intimate partner violence and mental health among women with disabilities
- ***Whitney Brown:** A big fat problem? Public health students, obesity stigma & the law
- ***Afshan Kamrudin:** Mental health facilitators and barriers in the social ecology of female child soldiers conscripted into Nepal's Maoist movement
- ***Kelly King:** Intimacy and infidelity: Using the theory of gender and power to understand the sexual realities of African American adolescent women
- ***Sarah Maness:** HPV risk perception and risk behavior among Latina and African American women
- Christopher Morley:** Coping mechanisms of former child soldiers in Nepal: Examining the impact of family and environment
- Rachel Orleans:** An examination of the mental, emotional, and behavioral health of first-generation college students
- Shani Robertson:** The impact of familial and non-familial support on the sexual health knowledge of youth who access media
- 2009-10 ***Elizabeth Nesoff:** Factors predicting consistent condom use with different partner types among college-educated women
- Shelley Schmissrauter:** Social factors leading to alcohol misuse, abuse & dependence among adolescents: A secondary data analysis of the 2007 National Survey for Drug Use and Health (NSDUH)
- Honora Swain:** The association of obesity and symptoms of depression: Variation by race and other demographic factors
- 2008-09 **Carissa Beatty:** A social ecological model of HIV treatment adherence: A secondary analysis of data from the Georgia Medical Monitoring Project
- ***Doan Ha:** Men who sell sex to men and HIV/AIDS prevention in Hanoi, Vietnam
- Shantrice Jones:** Using the social-ecological model to assess behavioral and environmental influences of overweight and obesity among African American adolescents in middle Georgia
- Alejandra Mijares:** Evaluation of training of South African health workers in Brief Motivational Interviewing
- 2007-08 **Erin Grosso:** Perceived susceptibility of risk during non-penetrative sex among youth
- Charmaine Jackson:** A process evaluation using the diffusion of innovation model: Visual inspection with acetic acid as a cervical cancer screening method implemented by a NGO in Guatemala
- Julia Kibunja:** Comparing health issues between international students and American students in US colleges and universities: A secondary data analysis of the National College Health Assessment
- Molly Murphy:** Commercial sexual exploitation of homeless and runaway youth: A qualitative exploration of outreach workers' perceived roles and felt needs

	Amie Nisler: Are they buying it? Effects of sexual media images on women's sexual behaviors, self-esteem and body image
	Malu Tungol: Racism, homophobia, group connectedness and depression: Experiences with intersecting minority identities in Asian American & Pacific Islander LGBTQ women
	Katrina White: Influence of ethnic identity and self-esteem on body mass index among African American females adolescents
	* Lisa Watson: Assessment of healthcare barriers for Hispanic immigrants in GA
2005-06	Sashon Henderson: Relationship between observed parenting behavior and children's externalizing behavior in children with asthma
	Elizabeth Levy: Human Papilloma Virus health beliefs and vaccine acceptability among college students
	Allison Maiuri: Development of an evaluation plan for the Diabetes Services Program at the Center for the Visually Impaired
	Emily Nichols: An examination of the associations between perceived HIV stigma and negative health outcomes
	Brooke Oakley: Perception of healthy relationships among a sample of pregnant African American teenage girls
2004-05	Natalie Hernandez: Social and cultural influences on Latina adolescents' sexual practices
	Elizabeth Jacobs: Self-efficacy and condom use and its relationship to depression among adolescent African American females
	Jamie Smith: Substance use and sexual behavior among African American adolescents in the South: A comparison of rural and urban youth

*denotes student mentees and who subsequently pursued further graduate education (e.g. PhD, MD, JD degrees)

Faculty Mentorship:

Robin McGee, Research Assistant Professor	2018-present
Elizabeth Walker, Research Assistant Professor	2016-present
Andrea Swartzendruber, Adjunct Faculty	2015-2016
Tina Davis, Adjunct Faculty	2015-2017
Ashli Owen-Smith, Adjunct Faculty	2014-2017
Kirsten Rogers, Adjunct Faculty	2012-2015

PhD Student Mentorship—Teaching Assistant Training and Teaching Opportunity Program (TATTO):

Casey Hall (Quantitative Analysis)	2017-2018
Rebecca Woodruff (Program Evaluation)	2017-2018
Dana Williamson (Research Methods)	2016-2017
Riley Steiner (Research Methods)	2015-2016
Juan Rodriguez (Research Methods)	2014-2015
Kathleen Krause (Research Methods)	2014-2015
Juan Rodriguez (Quantitative Analysis)	2013-2014
Umed Ibragimov (Research Methods)	2013-2014
Erica Smearman (Grant Writing)	2012-2013
Yen-Tyng Chen (Quantitative Analysis)	2012-2013
Aaron Visman (Survey Methods)	2011-2012
April Young (Grant Writing)	2011-2012

Emily Russell (Survey Methods)	2011-2012
Aaron Siegler (Quantitative Analysis)	2010-2011

Postdoctoral Fellows Mentorship (current position):

Robin McGee (Research Assistant Professor, BSHE, RSPH, Emory)	2017-2018
Andrea Swartzendruber (Assistant Professor, UGA)	2014-2016
Bethany Caruso (Post-doctoral Fellow, EH, RSPH, Emory)	2016-2017
Janelle Ricks (Assistant Professor, Ohio State University)	2015-2016
Karine Markosyan (Researcher, American University of Armenia)	2009-2012
Josh Spitalnick (Board Certified Psychologist, Private Practice)	2005-2006
Jessica Sales (Associate Professor, BSHE, RSPH, Emory)	2004-2007

BSHE Academic Advisors Mentorship:

Zarie Riley	2013-2019
Meghan Sullivan	2013-2019
Deanne Dunbar	2012-2013

MANUSCRIPTS IN PREPARATION AND UNDER REVIEW

Walker ER, **Lang DL**, Salas-Hernández LC. Answering the question, “How do I deal with these teams?” An approach for supporting effective student teams in health sciences courses. *Education for Health*.

Biello S, Yoss S, Walker ER, Druss BG, **Lang DL**. Addressing Public Mental Health Challenges: A Mixed Methods Evaluation of Problem-based Learning. *Pedagogy in Health Promotion*

Comeau D, Walker ER, **Lang DL**. Preparing MPH students for Public Health practice through community-engaged courses: An alumni evaluation. (*in preparation*)

INVITED PRESENTATIONS, WORKSHOPS AND TRAININGS

2020 – RSPH, Office of Evidence Based Learning Faculty Training: *How to support and manage effective student teams: Strategies for integrating team development into public health courses.*

2020 – Emory University School of Medicine – Learning to Be Better Teachers Workshop Series: *How to support and manage effective student teams: Strategies for integrating team development into health sciences courses.*

2020 – Emory University School of Medicine – Learning to Be Better Teachers Workshop Series: *Interprofessional Education and Collaborative Practice: Examples from the Woodruff Health Sciences Center.*

2019 – Association of Schools and Programs of Public Health. *Achieving Interprofessional Public Health Competencies.*

2018 – Boston University, School of Public Health, Teaching Symposium. *Innovations in evaluating and valuing Public Health teaching: The challenge of course evaluations.*

2018 – Emory University, School of Medicine, Foundation and Innovation Subcommittee. *Innovations in Health Professions Pedagogy.*

2018 – RSPH, Faculty Career Development Series. *Using competencies and learning objectives for effective teaching.*

2017 – RSPH, Faculty Career Development Series. *Strategies for inclusive teaching.*

2016 – RSPH, Faculty Career Development Series. *Cultivating a spirit of inclusiveness.*

2015 – BSHE Department Mix. *Engaging students in active learning.*

2014 – Loma Linda University, School of Behavioral Health, Town & Gown Ceremony: Alumni of the Year address: *What story will you tell?*

2006 – Nelson Mandela Medical School, Durban, South Africa; *HIV/AIDS risk behaviors among black adolescent girls.*

2004 – Executive Council and Sector Health Care Affairs, St. Maarten, Netherlands Antilles. *GIRL POWER! HIV prevention for adolescent females on St. Maarten*

2003 – Harbor UCLA Medical Center, Department of Family Medicine. *The emerging epidemic of STI/HIV among adolescents: Physicians as behavioral change agents.*

2002 – Loma Linda University, Department of Psychology. *HIV/AIDS risk among Romanian high school adolescents*

PRESENTATIONS AT PROFESSIONAL CONFERENCES

2019 – Kennesaw University's Research on Teaching and Learning Summit. Kennesaw, GA. *How to support and manage effective student teams: An approach for integrating team development into courses.*

2019 – Association of Schools and Programs of Public Health, Annual Meeting, Washington DC. *Alumni perspectives on the value of community engaged learning courses in Behavioral Sciences and Health Education.*

2019 – Association of Schools and Programs of Public Health, Annual Meeting, Washington DC. *Meaningfully engaging public health graduate students in the scholarship of teaching and learning.*

2019 – Association of Schools and Programs of Public Health, Annual Meeting, Washington DC. *Addressing public mental health challenges through problem-based learning: A mixed methods evaluation.*

2018 – Kennesaw University's Research on Teaching and Learning Summit. Kennesaw, GA. *An evaluation of community engaged learning in Behavioral Sciences and Health Education courses.*

2018 – Kennesaw University's Research on Teaching and Learning Summit. Kennesaw, GA. *Using a Problem-based learning approach in graduate coursework to address public mental health challenges: A mixed-methods evaluation of three cohorts.*

2017 – American Public Health Association, 145th Annual Meeting and Exposition, Atlanta. *Engaging graduate students in developing solutions to public mental health challenges: A mixed-methods evaluation of a Problem-based Learning approach.*

2017 – American Public Health Association, 145th Annual Meeting and Exposition, Atlanta. *Examining the Effectiveness of Caregiver Support Resources at the Cognitive Disorders Specialty Care Education Center of Excellence (COE) at the Atlanta Veterans Affairs Medical Center: A Qualitative Evaluation.*

2017 – American Public Health Association, 145th Annual Meeting and Exposition, Atlanta. *Facilitating team dynamics to support learning: A mixed-methods evaluation of Team-based Learning in a Behavioral Research Methods course.*

2017 – American Public Health Association, 145th Annual Meeting and Exposition, Atlanta. *Involving public health graduate students in the Scholarship of Teaching and Learning.*

2017 – Kennesaw University's Research on Teaching and Learning Summit. Kennesaw, GA. *Incorporating interdisciplinary and collaborative team skills into a public health course using team-based learning.*

2015 – Society of Academic Emergency Medicine, San Diego. *Examining concussion awareness, perceptions, and management practices in Georgia high school sports: An application of the Diffusion of Innovations Theory in sports injury prevention.*

2014 – American Public Health Association, 142nd Annual Meeting and Exposition, New Orleans. *Can brief, tailored telephone counseling sustain HIV preventive behaviors and reduce incident STIs: Results from a randomized controlled supplemental treatment trial.*

2014 – Population Association, Annual Meeting, Boston, MA. *Physical activity patterns of school-going adolescents in rural India: An examination of gender differences.*

2012 – Society of Behavioral Medicine, 33rd Annual Meeting, New Orleans, LA. *Correlates of pregnancy among adolescent women receiving mental health treatment.*

2012 – Society of Behavioral Medicine, 33rd Annual Meeting, New Orleans, LA. *Correlates of substance use among African American adolescent women.*

2011 – American Public Health Association, 139th Annual Meeting and Exposition, Washington DC. *Determinants of multi-method contraceptive use in a sample of adolescent women diagnosed with psychological disorders.*

2011 – American Public Health Association, 139th Annual Meeting and Exposition, Washington DC. *Efficacy of an HIV prevention intervention for Latinas: A randomized controlled trial.*

2011 – American Public Health Association, 139th Annual Meeting and Exposition, Washington DC. *Theoretical mediators of safer sex among immigrant Latinas: Implications for HIV risk-reduction interventions.*

2010 – American Public Health Association, 138th Annual Meeting and Exposition, Denver, Colorado. *Examining partner violence and high-risk sexual behaviors among adolescent females receiving psychiatric services.*

2010 – American Public Health Association, 138th Annual Meeting and Exposition, Denver, Colorado. *Enhancing maintenance of HIV intervention efficacy by brief, telephone-delivered, tailored counseling for young African American women.*

2010 – American Public Health Association, 138th Annual Meeting and Exposition, Denver, Colorado. *Predictors of immigrant Latinas having male sex partners who are at risk for HIV.*

2010 – American Public Health Association, 138th Annual Meeting and Exposition, Denver, Colorado. *Gender based violence and psychological, relational and psychosocial outcomes that place African American women at increased risk for STIs/HIV.*

2010 – American Public Health Association, 138th Annual Meeting and Exposition, Denver, Colorado. *Evaluation of training of health workers in brief motivational interviewing in the developing world: A South African example.*

2010 – XVIII International AIDS Conference, Vienna, Austria. *Gender based violence as a risk factor for STI/HIV associated risk behaviors among female sex workers in Armenia.*

2010 – XVIII International AIDS Conference, Vienna, Austria. *Substance use as a mediating mechanism between self-mutilation and HIV risk behavior among adolescent females receiving mental health services.*

2010 – Athens Institute for Education and Research, 4th Annual International Conference on Psychology, Athens, Greece. *Exploring the mediating mechanism between self-cutting behavior and sexual risk outcomes among adolescent females receiving psychiatric services.*

2009 – American Public Health Association, 137th Annual Meeting and Exposition, Philadelphia, Pennsylvania. *Examining sexual violence victimization and high-risk sexual behaviors among African American female adolescents over time.*

2009 – International AIDS Conference, Cape Town, South Africa. *Gender differences in HIV/STI-associated risk behaviors and laboratory-confirmed sexually transmitted infections among adolescents in mental health treatment.*

2008 - American Public Health Association, 136th Annual Meeting and Exposition, San Diego, California. *Efficacy on an intervention in reducing HIV risk behaviors, non-viral STIs and HPV among African-American women: Results of a randomized controlled trial.*

2008 – American Public Health Association, 136th Annual Meeting and Exposition, San Diego, California. *Efficacy of a multimedia computer-based HIV intervention for enhancing consistent condom use among African-American women: Results of a feasibility trial.*

2008 – International AIDS Conference, Mexico City, Mexico. *Economic pressures and sexual relationships of young Xhosa women in peri-urban areas of the Western Cape Province of South Africa.*

2008 – International AIDS Conference, Mexico City, Mexico. *Association between the preference for dry sex with condom use and risk of STI/HIV among HIV negative isiXhosa speaking women in the Western Cape Province, South Africa.*

2008 – International AIDS Conference, Mexico City, Mexico. *Development and evaluation of an HIV risk-reduction intervention tailored for high-risk African-American female adolescents seeking treatment at STD clinics.*

2008 – International AIDS Conference, Mexico City, Mexico, 2008. *Correlates of inconsistent condom use among Xhosa speaking women in South Africa.*

2008 – International AIDS Conference, Mexico City, Mexico, 2008. *Correlates of condom use errors among female sex workers in Yerevan, Armenia.*

2008 – International AIDS Conference, Mexico City, Mexico. *Correlates of inconsistent condom use among female sex workers in Yerevan, Armenia.*

2007 – National HIV Prevention Conference, Atlanta, Georgia. *Prevalence and correlates of condom failure among African American teens*

2007 – American Public Health Association, 135th Annual Meeting and Exposition, Washington DC. *Neighborhood Environment and Prevalence of Sexually Transmitted Infections among Adolescents Diagnosed with Psychological Disorders*

ACTIVE AWARDS

None

PAST AWARDS

Research and Evaluation:

March 2018 – March 2020	Lead Evaluator
Project title:	Evaluation of RSPH online core courses (\$44,579)
Source:	RSPH Dean's office
December 2010 – Nov 2012	Data Analyst (PI: DiClemente)
Project title:	Reducing alcohol-related HIV risk in African American females
Source:	National Institute of Drug Abuse (\$1,242,437)
September 2003 – Feb 2013	Data Analyst (PI: DiClemente)
Project title:	HIV prevention maintenance for African American teens
Source:	National Institute of Mental Health (\$3,346,348)
May 2007 – April 2012	Co-Principal Investigator (PIs: Brown, DiClemente, Donnenberg)
Project title:	HIV prevention among adolescents with severe mental illness
Source:	National Institute of Mental Health (continuation grant) (\$1,577,388)
August 2007 – July 2010	Clinical Psychologist (PI: Salazar)
Project title:	A web-based sexual assault intervention for female college students
Source:	Centers for Diseases Control and Prevention (\$1,197,703)
July 2008 – June 2013	Data Analyst (PI: Rothbaum)
Project title:	A cognitive enhancer may facilitate behavioral exposure therapy
Source:	National Institute of Mental Health (\$1,498,073)
July 2008 – June 2013	Data Analyst (PI: Rothbaum)
Project title:	Effects of early psychological intervention to prevention PTSD
Source:	National Institute of Mental Health (\$678,442)
August 2007 – July 2009	Co-Principal Investigator (PI: Markosyan)
Project title:	HIV prevention for commercial sex workers in Armenia – A pilot study
Source:	US Civilian Research & Development Foundation (\$80,748)
Sept 2007 – August 2008	Co-Principal Investigator (PI: Salazar)
Project title:	A qualitative and quantitative assessment of violence and HIV Risk
Source:	University Research Committee, Emory University (\$30,000)
Sept 2006 – August 2008	Co-Investigator (PIs: Curran, Wingood)
Project title:	HIV prevention for Xhosa women in South Africa
Source:	National Institute of Allergy and Infectious Diseases (\$297,231)
July 2004 – July 2011	Investigator (PI: DiClemente)
Project title:	A multi-level HIV-prevention strategy for high-risk youth
Source:	National Institute of Mental Health/NIH (\$2,533,514)

May 2002 – April 2007 Investigator (PIs: Brown, DiClemente, Donnenberg)
Project title: HIV Prevention among Adolescents with Severe Mental Illness
Source: National Institute of Mental Health/NIH (parent grant) (\$1,708,464)

Other Awards:

June – November 2017 Rollins Foundation
 Evaluation of Mental Health Services in Atlanta (\$35,184)
January – May 2015 Center for Faculty Development and Excellence
 Course Development Grant (\$300)
Oct 2002 – Sept 2009 Student Loan Repayment Award Recipient (3 competitive renewals)
 National Institutes of Health, Loan Repayment Program (\$119,803)

CLINICAL SERVICE DELIVERY

2012 – present **Virtually Better Inc.:** Private practice: specialize in treatment of mood disorders, grief and loss and chronic medical issues using Cognitive Behavioral Therapy and the latest developments in virtual reality technology.

2000 – 2001 **Portland VA Medical Center, Mental Health Division:** Pre-doctoral Internship: Provided clinical services to veterans suffering from medical disorders, chronic pain, traumatic brain injury, and PTSD.

1999 – 2000 **Loma Linda University Children’s Hospital, Craniofacial Team Clinic:** Pre-doctoral clinical practicum: Conducted cognitive and developmental assessments for children with craniofacial anomalies.

1998 – 1999 **Loma Linda University, Growing Fit Clinic:** Pre-doctoral clinical practicum: Designed and conducted obesity prevention groups for parents and children.

1998 – 2000 **Loma Linda University Medical Center, Rehabilitation Department:** Pre-doctoral clinical practicum: Provided clinical services for the Pain Management and Neuropsychology Departments as well as counseling for patients with medical disorders and PTSD.

1997 – 1998 **Norton SACHS Clinic:** Pre-doctoral clinical practicum: Provided clinical services to underserved, minority populations, especially women and children.
