Professional Experience

- 2012 – current **Research Professor**, Hubert Department of Global Health and Department of Epidemiology, Emory University, Rollins School of Public Health; Managing Partner, **Public Health Practice, LLC**
- 2011 – current Adjunct Professor, **Department of Epidemiology and Biostatistics, College of Public Health and Health Informatics**, King Saud Bin Abdulaziz University for Health Sciences, Riyadh, Kingdom of Saudi Arabia
- 2010 – current Managing Partner, **Public Health Practice, LLC**
- 2011 – 12 **Visiting Professor**, Hubert Department of Global Health and Department of Epidemiology, Emory University, Rollins School of Public Health; Senior Consultant and Managing Partner, **Public Health Practice, LLC**
- 2008 – 10 Associate Director for Science and **Designated Federal Official, Public Health Informatics and Technology Program Office**, Office for Surveillance, Epidemiology, and Laboratory Services, CDC, HHS (retired 19 Jun 2010)

Professional Experience (continued)

- 2008 – 10 **Adjunct Professor**, Department of Epidemiology and Hubert Department Global Health, Rollins School of Public Health, Emory University, Atlanta, GA
- 2006 – 08 Director, Division of Integrated Surveillance Systems and Services, **National Center for Public Health Informatics**, Coordinating Center for Health Information and Service, CDC, HHS
- 2006 Office of Personnel Management (OPM)-certified graduate of the **Health and Human Services (HHS) Senior Executive Services (SES) Candidate Development Program (CDP)**
- 2005 Promoted to **Title 42, Distinguished Consultant**, Surveillance, Epidemiology, and Outbreak Investigations Branch, **Division of Tuberculosis Elimination**, National Center for HIV, Hepatitis, STD, and TB Prevention, CDC, HHS
- 2003 – 05 Senior Epidemiologist, Epidemiology Team, Surveillance, Epidemiology, and Outbreak Investigations Branch, Division of Tuberculosis Elimination, National Center for HIV, Hepatitis, STD, and TB Prevention, CDC, HHS
- 2001 – 02 Chief, Epidemiologic Studies Section, Surveillance and Epidemiology Branch, Division of Tuberculosis Elimination, National Center for HIV, Hepatitis, STD, and TB Prevention, CDC, HHS
- 2000 – 01 Regional EIS Officer Supervisor, State Branch, Division Applied Public Health Training, Epidemiology Program Office, CDC, HHS
- 1998 – 08 **Adjunct Associate Professor**, Department of International Health, Rollins School of Public Health, Emory University, Atlanta, GA
- 1997 – 00 Chief, Capacity Development Branch, Division of International Health, Epidemiology Program Office, CDC, HHS
- 1996 – 97 Epidemiologist, Division of International Health, Epidemiology Program Office, CDC, HHS
- 1994 – 08 **Adjunct Associate Professor**, Department of Epidemiology, Rollins School of Public Health, Emory University, Atlanta, GA
- 1994 – 96 Epidemiologist, International Health Program Office, CDC, HHS
- 1993 – 94 Chief, Surveillance and Epidemiology Section, HHDB, DHA, NCID, CDC, HHS
- 1991 – 93 Epidemic Intelligence Service Officer (EISO), DFE, EPO, CDC, HHS on Field Assignment to Louisiana Office of Public Health, New Orleans, LA
- 1991 – 93 Adjunct Associate Professor, Departments of Biostatistics and Epidemiology and Allied Health Sciences, School of Public Health and Tropical Medicine, Tulane University, New Orleans, LA

Professional Experience (continued)

- 1990 – 91 Adjunct Assistant Professor, Department of Clinical Laboratory Sciences, University of Oklahoma Health Sciences Center, OKC, OK
- 1988 – 91 Editor, Epidemiology Bulletin, Oklahoma State Department of Health, OKC, OK
- 1987 – 91 Director, General Communicable Diseases Division, Epidemiology Service, OK State Department of Health, OKC, OK
- 1987 – 91 Adjunct Assistant Professor, Department of Microbiology and Immunology, College of Medicine, University of Oklahoma Health Sciences Center, OKC, OK
Lecturer, Department of Biology, Central State University, Edmond, OK
- 1986 – 87 Director, Microbiology Division, Public Health Laboratory Service, OK State Department of Health, OKC, OK
- 1981 – 86 Senior Microbiologist and Supervisor of Microbiology Section, Public Health Laboratory Service, OK State Department of Health
- 1979 – 81 Microbiologist I and II: Microbiology Section, Public Health Laboratory Service, OK State Department of Health, OKC, OK
- 1977 – 79 Recipient of NIH Predoctoral Fellowship: Department of Pulmonary Medicine, College of Medicine, University of Oklahoma Health Sciences Center, OKC, OK PI – Robert Rogers, MD

Formal Education

Institution, City, and State	Degree	Years	Field
OUHSC, OKC, OK	PhD	1983 – 1986	Microbiology and Immunology
OUHSC, OKC, OK	MS	1976 – 1979	Medical Microbiology
OU, Norman, OK	BS	1968 – 1972	Zoology (honors)

Additional Scholarly Work

- 1994 – 96 Directed and taught six, 5-wk training courses in Atlanta and one, 4-week training course in Yerevan, Armenia titled, *Epidemiology, Biostatistics, and Scientific Communications (in Russian)*
- 1995 Masters thesis advisor for Dr. Cynthia Bianci, Dept. International Health and Drew Voetch, Dept. Epidemiology; Rollins School of Public Health, Emory University
- 1996 Committee Member and Poster Awards Chairperson, 1996 Epidemic Intelligence Service (EIS) Conference, Atlanta, GA

Additional Scholarly Work (continued)

- 1996 – 98 Masters thesis advisor for Dr. Erik Auf van Heide and Kevin Veil, Dept. Epidemiology, Rollins School of Public Health, Emory University
- 1996 – 98 Primary supervisor of Dr. Tadesse Wuhib, EISO, EIS '96, CDC
- 1997 – 98 Masters thesis advisor for Kevin Ward and Davida Denton, Dept. Epidemiology, Rollins School of Public Health, Emory University
- 1998 – current Designed, directed, and taught two, 2-credit hour courses titled, Global Health 504 (*Effective Oral Communication*) and Global Health 592 (*Successful Scientific Writing*) at Emory University, Rollins School of Public Health
- 1998 – 99 Primary supervisor of Dr. Debra Smith, Preventive Medicine Resident, Emory University School of Medicine and Dr. Peter Nsubuga, Epidemic Intelligence Service Officer (EISO) EIS '98, CDC
- 1998 – 99 Directed the 5-wk training course in Atlanta titled, *Epidemiology, Biostatistics, and Scientific Communications (in Russian)* May 29 – Jul 5, 1998
- 2000 – 01 Masters thesis advisor for Suzannah Hubert, Kelly Houchin, and Todd Raziano, Dept. Epidemiology and Masters Thesis and Preventive Medicine Resident advisor for Dr. Anne Lang Dunlop, Dept. International Health, Rollins School of Public Health and Emory Graduate School of Medicine, Emory University
- 2001 – 02 Co-chair of special committee tasked with the selection of > 60 manuscript submissions from the National Tuberculosis Genotyping and Surveillance Network (NTGSN) for consideration of inclusion in a special issue of the journal of Emerging Infectious Diseases. The outcome resulted in the publication of a special issue of **Emerging Infectious Diseases (Vol. 8, No. 11)**
- 2001 – 02 Masters thesis advisor for Angela Myrick, Dept. Epidemiology, Rollins School of Public Health, Emory University
- 2002 – 10 Supervisor and mentor of Ngozi Erundu, Kia Armstrong, Rachel Kossover, Ngozi Obuawa, Melissa Kimball, Daniel Ehlman, Sapana Parikh, Nita Patel, Sylvera Demas, Jo Ann Shoup, Darigg Brown, Alison Surdo, Anne Redmond, and Melanie Davis on rotations as Public Health Prevention Specialists (PHPS)
- 2003 – 04 Masters thesis advisor for Andrew Hickey, Dept. Epidemiology, Rollins School of Public Health, Emory University
- 2003 – 04 Masters thesis advisor for Christina Veenstra, Dept. International Health, Rollins School of Public Health, Emory University
- 2003 – 06 At the request of CDC-Ethiopia and the Ethiopia Public Health Association, taught three train-the-trainer's courses titled, **Effective Oral Communications and Successful Scientific Writing** that will be institutionalized in six Ethiopian medical institutions and schools of public health

Additional Scholarly Work (continued)

- 2004 Masters thesis advisor for Dr. Charles W. Duke, Dept. Epidemiology, Rollins School of Public Health, Emory University
- 2005 – 06 Doctoral dissertation advisor for Nandini Selvam, PhD, School of Public Health, University of Medicine and Dentistry of New Jersey
- 2005 – 06 Masters thesis advisor for Drs. Zaruhi Beglaryan and Alice Chow, Dept. Epidemiology, Rollins School of Public Health, Emory University
- 2007 – 08 Masters thesis advisor for Dana Schneider, Dept. Epidemiology, Rollins School of Public Health, Emory University
- 2009 – 10 Supervise and mentor of Dr. Ahmad Baghal, Public Health Informatics Fellow
- 2009 Designed and taught 1-wk, intensive course for professionals titled, **Successful Scientific Writing and Effective Oral Communications** at the Rollins School of Public Health, Emory University
- 2010 – 11 Masters thesis advisor for Jessie Gleason, Dept. Epidemiology, Rollins School of Public Health, Emory University
- 2010 – 12 Masters thesis advisor for Katie Pannemann and Karine Kentenyants, Dept. Epidemiology and Hubert Dept. Global Health, Rollins School of Public Health
- 2011 – 12 Senior Consultant, European Centers for Disease Control, Stockholm, Sweden
- 2011 – 13 Masters theses advisor for Aida Estebesova, Georgia State University, School of Public Health and Larisa Fedarushchanka, Saud Al Zahrani, Will Ford, Fawaz Al Rasheedi, Osama Al Wafi, Mohammed Al Khalawi, Yang Zhang, Michael Olsen, and Hein Le, Hubert Dept. Global Health, Rollins School of Public Health
- 2011– current Editorial Board, **Journal of Epidemiology and Global Health**
- 2011 – 16 Taught two, 1-wk intensive courses for professionals titled, EPID 790 *Effective Oral Communications* and EPID 795 *e-Surveillance*, at the **University of Michigan, Graduate Summer Session in Epidemiology**
- 2012 – 14 Doctoral dissertation advisor for Ngozi Erondy, London School of Hygiene and Tropical Medicine
- 2012 – 14 Masters theses advisor for Abdulaziz Al Oufi, Abdullah Al Azeri, Abdullah Al Shahrani, Hamoud Al Garni, Rana Al Helali, and Amal Zaidan Hubert Dept. Global Health, Rollins School of Public Health
- 2012 – current Designed, directed, and teach 5-wk **Research Skills Development Course** (Jun 18 – Jul 14, 2012; Jun 10 – Jul 12, 2013; Jun 9 – Jul 11, 2014; Jun 6 – Jul 7, 2016; Jun 10 – Jul 12, 2019; Jun 1 – Jul 25, 2020) www.researchskillsdevelopment.com

Additional Scholarly Work (continued)

- 2013 – 15 Masters theses advisor for Fahad Almutairi, Mai Jamdar, Marei Alrouaili, Sultan Alshamrani, Ameena Nalim, Hassan Aldosari, Anna Tate, Caroline Pilewski, and Chao Fu, Hubert Dept. Global Health and Dept. Epidemiology, Rollins School of Public Health
- 2014 – 16 Masters theses advisor for Vidisha Singh, Eiman Gaid, Yasser Bakhsh, Yahya Al Asseri, Ali Alghamdi, and Naif Alraihan Hubert Dept. Global Health and Dept. Epidemiology, Rollins School of Public Health
- 2015 – current Designed, directed, and taught 2-wk **Case Study Design and Development Course** (Aug 10 – 20, 2015; Aug 22 – Sep 2, 2016; May 15 – 26, 2017)
<http://casestudydevelopment.com>
- 2015 – current Teach 4-wk, 20-contact hour, online, asynchronous, multi-communication methods course at **Columbia University Epidemiology and Population Health Summer Institute** titled, *Transforming Public Health Surveillance*
- 2015 – 18 Masters theses advisor for Roaa Jumbi, Nada Munich, Naif AlHarbi, Bayan Shekiri, and Sami Alqahtani of Hubert Dept. Global Health and Amanda Nguyen, Matthew Cole, and Kelsey Patel of Dept. Epidemiology, Rollins School of Public Health
- 2017 – current Designed, directed, and teach 3-hr GH/EPI 515 titled, *Transforming Public Health Surveillance*
- 2019 – current Designed, directed, and teach at the Univ GA, College of Public Health, a 15-wk, 3-hr, online, asynchronous, multi-communication methods version of *Transforming Public Health Surveillance* (EPI 7450E)
- 2017 – 19 Masters theses advisor for Rami AlDafas, Panuwat Wongkulab, Grace Ngobia, Fata Nyei, Nchedochukwu Ezeokoli of Hubert Dept. Global Health and Tyler Kimberly of Dept. Epidemiology, Rollins School of Public Health
- 2019 – current Teach 4-wk, 20-contact hour, online, asynchronous, multi-communication methods course at **Africa CDC Institute for Workforce Development** titled, *Transforming Public Health Surveillance*
- 2019 – 20 Masters theses advisor for Lujain Shah, Vasha Kumar, Bridgett Miller, Travis Belfonti, Mohammed AlOufi, and Abdulhakim Alabdulmunim of Hubert Dept. Global Health, Rollins School of Public Health

Grant / Contract Awards

- 2019 – current Principle Investigator, **Africa CDC Institute for Workforce Development**
- 2015 – 18 Principal Investigator, **Emory Partnership for Global Health Security Training**
- 2015 – current Principal Investigator, **Case Study Design & Development Course**

Grant / Contract Awards (continued)

- 2010 – current Director, **King Abdullah Fellowship Program**
- 2012 – current Principal Investigator, **Research Skills Development Course**
- 2013 – 15 Managing Partner, **One Health e-Surveillance Initiative, AFENET**
- 2013 Principal Investigator, WHO *Toolset for Assessing Gaps and Cost for IHR Compliance*
- 2013 Principal Investigator, WHO *Global Best Practices for Emergency Operations Centers: A Systematic Review of Public Health Emergency Operations Centres (EOC)*
- 2009 – 10 Project officer for \$500,000 project titled, Mobile, Hand-held Data Collection and Communication System for Public Health Surveillance during Mass Gatherings, 2009, Kingdom of Saudi Arabia
- 2008 – 10 Project officer for 3-yr, \$9.6 million project titled, International Health-care Associated Safety Network and Electronic Notifiable Diseases Surveillance System, Kingdom of Saudi Arabia National Guard Health Affairs
- 2004 – 09 **U.S. counterpart scientist** for a 3-yr, \$660,000 HHS **Biotechnology Engagement Project** developed to reform the **Tuberculosis Prevention and Control Program in the Republics of Armenia and Georgia of the Former Soviet Union**

Extramural Professional Consultancies

- 2019 Invited consultant to WHO Expert Group Consultation on Health Systems for Health Security, Geneva, Switzerland, Mar 6 – 7
- 2014 Invited consultant by WHO/EMRO to evaluate the Sudanese Ministry of Health Integrated Disease Surveillance and Response (IDSR) capacity, Feb 2 – 15
- 2013 Invited consultant by WHO/HQ/IHR design team to develop and pilot test an IHR gap analyses and costing tool: Feb 12 – 13, May 4 – 5, Nov 10 – 15, and Jun 16 – 18 (2014)
- 2012 Invited consultant by Jazan University, School of Public Health & Tropical Medicine to review new curriculum, Sep 26 – Oct 5
- 2012 Invited consultant by European Union Centre for Disease Control (ECDC) to Surveillance Working Group Meeting, Stockholm, Mar 28 – Apr 5
ECDC Manual for Data Quality, Monitoring, and Public Health Surveillance Evaluation, Sept 2014
- 2011 Invited consultant by European Union Centre for Disease Control (ECDC) to Surveillance Working Group Meeting, Budapest, Oct 28 – 29
- 2010 – 12 **Assessment of Public Health Programs**, National Guard Health Affairs, Kingdom of Saudi Arabia

Extramural Professional Consultancies (continued)

- 2009 Led CDC team to **Kingdom of Saudi Arabia, Pandemic Preparedness Consultation**
- 2006 On behalf of the CDC, Coordinating Office for Global Health to facilitate preparation of a pandemic influenza preparedness cooperative agreement proposals from the Republics of Armenia and Georgia
- 2003 – 06 **Principal investigator** for \$700,000 **Task Order Contract #10** in the Tuberculosis Epidemiologic Studies Consortium titled, **New Model for Assessing TB Surveillance and Action Performance and Cost**
- 2002 On behalf of the HHS, **Office of Global Health Affairs** to initiate a **Biotechnology Engagement Project**, Yerevan, Armenia
- 2001 – 08 Co-principal investigator for **European Union-funded** study titled, **Placental Uptake and Transfer of Environmental Chemicals Relating to Allergy in Childhood Years**
- 1999 On behalf of the WHO/AFRO to design and initiate the **Integrated Disease Surveillance project**, Tanzania, Africa
- 1996 – 97 On behalf of the WHO/European Region to prepare the Republics of Armenia and Georgia to become certified polio-free by 2000
- 1996 – 02 Co-principal investigator for United States – Slovak Republic Science and Technology grant titled, Epidemic Investigation of Allergic Diseases among Children in Slovakia
- 1995 On behalf of the WHO/European Region to prepare Kazakhstan for Operation MECACAR (NIDs for polio/diphtheria)
- 1992 On behalf of CARE to conduct survey of adults in the Republic of Armenia

Honors

- 2018 *T.W. Adams Distinguished Professor for a Day*, University of Oklahoma, Oct 30
- 2008 Recipient of CDC Group Honor Award for Silo Busters: Collaborative Success in CDC Implementation of the International Health Regulations 2005
- 2007 Interim Chair, **CDC International Health Regulations (IHRs)** implementation committee
- 2006 Graduate of Senior Executive Services candidate development program
- 2005 Promoted to Title 42, Distinguished Consultant
- 2005 Manuscript nominated for the CDC 2005 Charles C. Shepard Award

McNabb, S.J.N., J. S. Kammerer, A.C. Hickey, C.R. Braden, L. Rosenblum, N. Shang, and T. Navin. Added Epidemiologic Value to Tuberculosis Prevention and Control of the Investigation of Clustered Genotypes of Mycobacterium tuberculosis Isolates. [Am J Epid 2004;160:589-97.](#)

Honors (continued)

- 2004 Recipient of CDC Group Honor Award for outstanding work in the Tuberculosis Epidemiologic Studies Consortium
- 2002 Recipient of CDC Group Honor Award for outstanding work in conceiving and establishing the Tuberculosis Epidemiologic Studies Consortium
- 2000 Recipient of On-the-Spot-Award for outstanding work in designing and conducting the Summer 2000 Epidemic Intelligence Officer field survey
- 1999 Recipient of Rotary International, Paul Harris award for international health
- 1996 – 97 Recipient of CDC Unit Commendation Award, 1995 – 1997. Title: The Eastern Europe and Former Soviet Union Polio Eradication and Diphtheria Control Team
- 1993 Recipient of National Academy of Sciences Young Investigator Program Award, 1993 – 1994. Theme: The health effects of the environmental degradation in the Czech and Slovak Republics
- 1985 – 93 Recipient of Oklahoma Public Health Association, Epidemiology and Laboratory Section Award for Outstanding Achievement in Epidemiology, 1989
Recipient of Wm. R. Schmieding Award for Outstanding Individual Achievement, Public Health Laboratory, OSDH, Dec 18, 1985
- 1979 – 84 Recipient of Outstanding Poster Presentation in Health Sciences at the Graduate College Information Day, Nov 1984
- 1979 – 84 Recipient of Noble Immunology Fellowship sponsored by Lloyd Noble Foundation, Jun 1984 – May 1986
Recipient of President's Award for Basic Research sponsored by Graduate Student Council, University of Oklahoma HSC, Apr 26, 1984
- 1972 – 79 NIH predoctoral fellowship; NROTC Scholarship; Phi Sigma Scientific Honor Society; and BS conferred with Honors
