

# Kaitlyn K Stanhope

404-556-0169 ■ Kaitlyn.keirseystanhope@emory.edu

## EDUCATION

**Ph.D. in Epidemiology**, Emory University May 2020  
Dissertation Chair: Michael R. Kramer

**M.P.H. Rollins School of Public Health**, Emory University May 2015  
Thesis Advisor: Roger RoCHAT  
Maternal and Child Health Certificate Program

**B.A. in Community Health**, Brown University May 2009

**Semester Abroad**, Universidad de San Francisco de Quito, Ecuador Spring 2008

## PROFESSIONAL EXPERIENCE

**Epidemiology, Emory Rollins School of Public Health** January 2024-present  
*Assistant Professor*

**Gynecology and Obstetrics, Emory School of Medicine** February 2024-present  
*Secondary appointment*

**Gynecology and Obstetrics, Emory School of Medicine** May 2020-December 2023  
*Postdoctoral Fellow*

**Legacy for Children, Centers for Disease Control and Prevention** October 2018-April 2019  
*Focus Groups Analyst*

**HealthMPowers, Early Childcare Center Project** May 2015-February 2018  
*Independent Contractor*

**Peace Corps, Ancash, Peru** September 2009-December 2012  
*Community Health Volunteer*

**Theater Department, Brown University, Providence RI** September 2007-May 2009  
*Costume Shop Assistant*

## RESEARCH GRANTS

### *Contributions to Ongoing Funded Research*

**Birth Trauma, Stress Reactivity, and Cardiometabolic Health Among Postpartum People** September 2024-August 2026  
Principal Investigator: Kaitlyn Stanhope  
RSPH Dean's Pilot and Innovation Grant: \$49,964

### **A community-engaged approach to addressing the social care needs of birthing people in Atlanta**

Principal Investigators: Jamea Dorsey, Kaitlyn Stanhope November 2023 – August 2025  
Robert Wood Johnson Foundation: \$50,000  
SIREN engagement grant administered by UCSF

**One less thing to worry about: can state eviction moratoria improve maternal and infant outcomes for Medicaid-insured and uninsured people?** September 2023- May 2025

Principal Investigator: Kaitlyn Stanhope  
Health Resources and Services Administration

MCH Secondary Data Analysis Research Award

**Equity, health disparities, and the ongoing COVID pandemic: Does reducing financial strain improve preventive health behaviors, sleep, and stress? Evidence from a guaranteed income program for Black women in Georgia** March 2023 – March 2025

Principal Investigator: Stephen Rolls  
Brown School COVID-19 and Health Disparities Research Pilot Funds: \$95,000  
Role: Co-Investigator

**Community Resource Navigation With and Without Social Support to Prevent Chronic Hypertension Among At-Risk Black Women of Reproductive Age (AHA 00114473)** October 2022 - present

Principal Investigator: Erin Ferranti  
American Heart Association: \$224,999  
Role: Co-investigator

**Accumulation of stress and trauma across the life course and cardiometabolic risk during pregnancy and postpartum (1 K99 HL161355-01A1, 4R00HL161355)** September 2022 - present

Principal Investigator: Kaitlyn Stanhope  
National Heart, Lung, and Blood Institute (NHLBI) K99/R00

**Minding the Gap Study (R01MD016031)** September 2020 – April 2025

Principal Investigators: Anne Dunlop, M.D. and Kathleen Adams, Ph.D.  
National Institute of Minority Health and Health Disparities: \$3,891,017  
Role: Co-Investigator.

*Contributions to Previously Funded Research*

**Designing a Data-driven and Risk-specific Approach to Maternal Health Care** Feb 2022 – Dec 2023

Principal Investigators: Lauren Steimle, PhD, Sheree Boulet, PhD, Gian Garcia, PhD  
Emory/Georgia Tech I3 Research Awards: \$50,000  
Role: Postdoctoral fellow.

**Virtual Care Study** July 2020 - August 2021

Principal Investigator: Sheree Boulet, DrPH MPH  
Emory Medical Care Foundation: \$30,000  
Health Innovation Project: \$40,000.  
Role: Co-Investigator.

**Geography of Opportunity Study** September 2017 - August 2018

Principal Investigator: Michael Kramer, PhD  
Role: Research Assistant.

**PUBLICATIONS**

**(First author: 29, Co-First Author:3 (denoted with +), Co-author: 23, Under Review: 4)**

**\* denotes student/trainee mentee**

1. **Stanhope KK**, Markowitz S, Kramer MR. (2025) Duration of exposure to eviction moratoria in the early COVID-19 pandemic and perinatal outcomes: a population-level analysis of US births conceived in March-May 2020. *Annals of Epidemiology*. Accepted.

2. **Stanhope KK**, Markowitz S, Kramer MR. (2024) Expiration of a state level eviction moratorium in the first or second trimester of pregnancy and perinatal outcomes among Medicaid and uninsured people, 2020-2022. *Health & Place*. Accepted.

## TEACHING

### **Epi 594, Advanced Methods in Social Epidemiology,**

Emory Rollins School of Public Health

January 2024-May 2024

*Co-Instructor*

### **Undergraduate Research Program, Emory College**

August 2018-May 2019

*Graduate Fellow*

### **Teaching Assistant, Emory Rollins School of Public Health**

August 2014-January 2019

Courses: Spatial Epidemiology, R Boot Camp, Multilevel Modeling, Longitudinal Data Analysis, Epidemiologic Modeling, Application of Epidemiologic Concepts, Epidemiologic Concepts I, Global Health Challenges and Opportunities

### **DeKalb PATH Academy, Atlanta, GA**

January 2013-July 2013

*Director of Health and Nutrition*

- Coordinated nutrition promotion and healthy behavior programs for 355 students (10-14 years)
- Communicated with Spanish-speaking parents in one-on-one conferences, group meetings and school-wide activities in order to inform parents about school wide programs and connect them with health resources
- Collaborated with teachers and administrators to raise \$3836 for educational materials and projects through grants and Spring Festival event

### **PUBLIC SCHOLARSHIP**

Moinester M, **Stanhope KK**. (2025) Providing driver's licenses to undocumented immigrants improves birth outcomes, research shows. *The Conversation*. Research Brief

### **AWARDS, HONORS, AND FELLOWSHIPS**

Rising Star in Research Award, GYNOB Department Emory School of Medicine	June 2022
Anoopa Sharma Award, Epidemiology Department Rollins School of Public Health	August 2019
HRSA Maternal and Child Health Bureau Trainee (T03MC07651)	September 2017- May 2020
ARCS Foundation Scholar	September 2017- May 2020
Shepard Award Nominee, Rollins School of Public Health	May 2015
Global Elimination of Maternal Mortality from Abortion Fund grant recipient	2014
Global Health Institute Multidisciplinary Team Award grant recipient	2014
Scholars in Action Program, Rollins School of Public Health	September 2013-May 2015

### **MENTORSHIP**

Annika Gathoo, Emory University PhD Dissertation Committee August 2024-  
*Project: Examining intersectional race and sex disparities in access to kidney transplantation in the US*

Lena Solomon, Emory University MPH Thesis Student May 2024-  
*Project: Effect of the Dobbs decision on the prevalence of select birth defects among live births in the US*

Eva Portillo Molina, Emory University MPH Thesis Student May 2024-  
*Project: Changes to 287g and hypertensive disorders of pregnancy among Latina women in two Georgia counties*

Jorge Gonzalez Mejia, Emory University PhD Dissertation Committee April 2024-  
*Project: Prediabetes among Hispanics in the US: Sociocultural Determinants and Intergenerational Impacts*

Amarachi Metu, Emory University MPH Practicum Student September 2022-May 2022  
*Project: Systematic review of postpartum psychiatric screening*

Afsha Hossain, Emory University undergraduate directed research project September 2021-May 2022  
*Project: Incarceration and infant health outcomes in Georgia*

Deborah Adeyemi, Emory University MPH Practicum Student May 2020-May 2021  
*Project: Systematic review of structural determinants of hypertensive disorders of pregnancy*

Miah Hagans, Emory University 4<sup>th</sup> year Medical Student September 2019-May 2020  
*Project: Delivery Outcomes after Induction of Labor among women with Hypertensive Disorders of Pregnancy*

Christian Freeman, Emory University Medical Student Discovery Project April 2020-May 2021

*Project: Severe Maternal Morbidity and Neighborhood Deprivation in Atlanta, Georgia*

Alayna Feng, Emory University MD/MPH Thesis Student May 2020-May 2021  
*Project: Postpartum Psychiatric Outcomes following Severe Maternal Morbidity in an Urban Safety-Net Hospital*

Alexa Campbell, Emory University MPH Thesis Student September 2019-May 2020  
*Project: Demographic and Clinical Predictors of Postpartum Blood Pressure Screening Attendance*

Yesenia Ramirez, Emory University MPH Thesis Student April 2019-May 2020  
*Project: Immigration Policy and Preterm Birth Among Hispanic Women in Georgia from 2009-2014*

Monica Ulloa, Emory University MPH Thesis Student May 2018-May 2019  
*Project: Prenatal Care Choice Among Low-Income Latina Women in Atlanta*

Courtney Schlusser, Emory University MPH Student May 2018-December 2018  
*Project: Pregnancy Intentions and Relationship Status Predict Maternal Depression Among Pregnant Latina Women Living in Atlanta, Georgia*
